So enjoy the mag, and thanks again for being the greatest magazine readers in Britain.

Cheers!

Whale on a crane!

How to shift an enormous dead thing from a beach in one go!

YOU KNOW how it is when you have a nice beach then a dead 25-tonne mammal spoils everything. So annoying. Thankfully, the custodians of Uruguay's Carrasco beach were able to call on excavators to shift this sperm whale, who turned up after swimming off to the great aquarium in the sky. It was taken to a landfill, which seems a terrible waste of a hearty fish supper.*

(*Yes, we know whales aren't fish.)

WORDS: RORY BUCKERIDGE. PHOTOS: AP

Sperm whale facts!

- **Sperm whales are the deepest-diving mammals in the animal kingdom, often plunging 3km.**
- They're named after spermaceti, a liquid wax found in their heads and used in the preparation of lubricants.
- **They also excrete ambergris, a substance used in the production of perfumes.**
- The average male sperm whale is 16 metres long and weighs 41 tonnes.
- **A sperm whale sinking a Nantucket whaling ship in 1820 inspired the novel *Moby-Dick*.**

DETROIT SPECIAL!

The cars of the Detroit Auto Show!

Motor City kicks off the year of car shows, wowing us with some seriously sweet hot metal!

IT'S ONLY January but the first big car bash of the year happened in Detroit last week. Your European fancy dans, the Ferraris, Lambos and Astons stayed under the covers in Europe, but Toyota (below) brought its big guns, Kia surprised us with an awesome muscle car and Porsche bowled up with their prettiest motor for yonks, with the gloriously retro Targa. Here's our car chap's choice...

"Smile? I am smiling"

TOYOTA FT-1 CONCEPT

Keep taking the pills Toyota, because they're clearly working. The world's biggest car maker is finally starting to realise that hot-looking, fast cars make us all very happy. The FT-1 grabbed more of Detroit's auto show limelight than any other machine, and rightly so, because this could end up being the new (long-awaited) Supra.

400bhp, 155mph top speed, 0-62mph in 3.7 secs, £65k

"What you lookin' at?"

C7 CORVETTE Z06

It wouldn't be right to have a car show in Detroit, the original home of bad-ass American muscle, without some fresh and strapping local brawn. Chevrolet's new Z06 Corvette does the job perfectly, with sufficient unsubtlety, delivering "at least" 625bhp and a very ridiculous 635lb-ft of torque. Not bad, Chevy. Not bad at all.

625bhp, 189mph top speed, 0-62mph in 3.6 secs, £72k

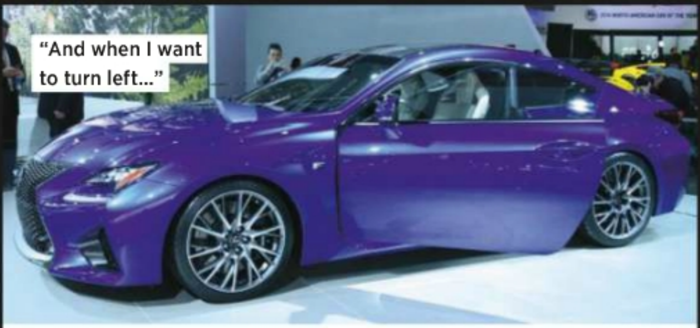
"Dunno. It ain't got a label"

PORSCHE 911 TARGA

This new Targa copies and pastes the pillarless window design and wide (magnesium) rollbar of the '60s original. If sunburn is desired, within 19 seconds, the soft-top middle section folds and retracts behind the rear seats. Below the waist, it's a 991 Carrera 4 cabriolet, so only available in 4WD with either a 3.4-litre or 3.8-litre engine.

350bhp, 175mph top speed, 0-62mph in 4.8 secs, £86k

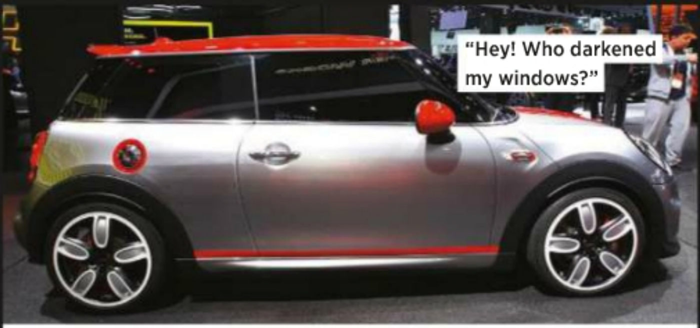
WORDS: JONNY SMITH PHOTOS: FLYPHOTOS, WENN



LEXUS RC-F

The Lexus RC-F is a two-door coupé that's crammed with design detailing. Oh, and a 5.0-litre V8 producing "well above" 450bhp, if that's your kind of thing. It then adds an impressively aggressive bodykit, an active rear wing, a shedload of frontal cooling ducts and trademark stacked exhausts, natch.

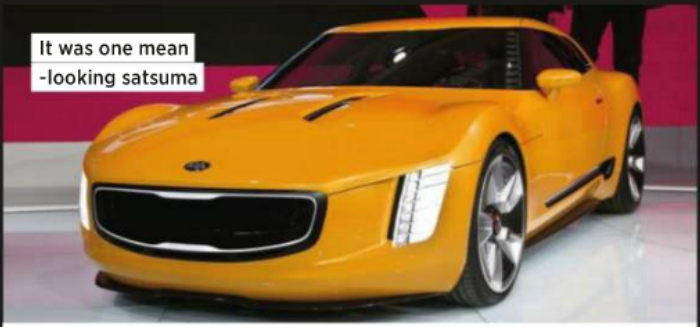
450bhp+, 155mph limited top speed, 0-62mph in 4.2secs, £57k



MINI JOHN COOPER WORKS CONCEPT

The new Mini three-door is now in its third generation (they grow up so fast!), and the John Cooper Works concept is by far the lairiest of the lot to date. Hugely radical bodykit changes give this new Mini a revised roof spoiler, deep side skirts and a rear diffuser hosting trademark shotgun exhausts. We like the JCW a lot.

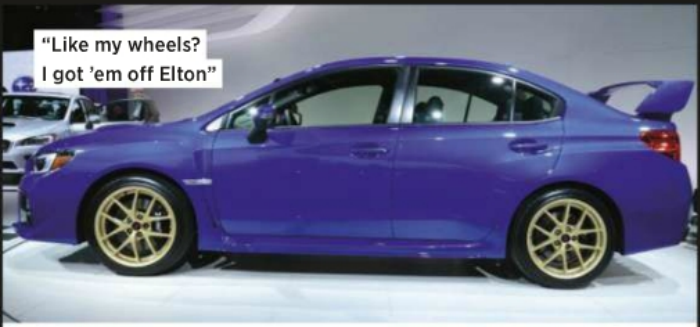
215bhp, 150mph top speed, 0-62mph in 6.2secs, £28k



KIA GT4 STINGER

Kia has boldly stepped into the world of rear-wheel drive hooliganism with the *TOWIE*-tan-coloured GT4 Stinger. Designed at the Korean car maker's California studios, the Stinger coupé oozes bulging Yank muscle car-style back arches, short overhangs and a pair of exhausts that dominate the two-tone back end. It also has no carpets.

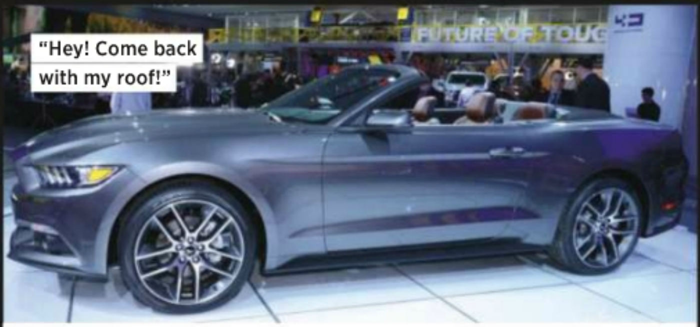
311bhp, 145mph top speed, 0-62mph in 5.5 secs, £30k



SUBARU WRX STI

Returning in iconic blue with a bit of gold wheel rimmage, the hot saloon looks fighting fit for rally tomfoolery with its bird table boot spoiler and broad WRX bodykit. Expect the new car to be stiffer and lighter, with torque-vectoring and the promise of a cabin that doesn't look it was made in 1984. Bonus!

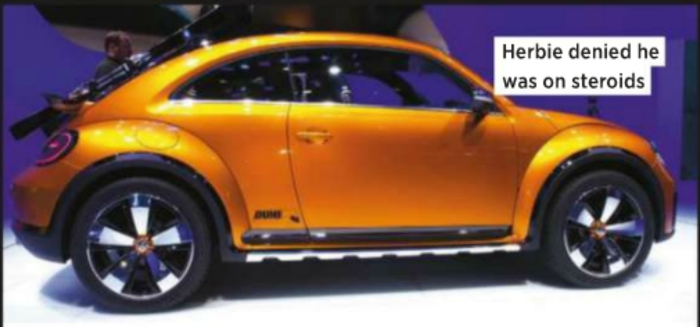
320bhp, 150mph top speed, 0-62mph in 4.9secs, £27k



MUSTANG

Not only is this re-scribbled Mustang a thing of muscular beauty, news is that it's coming to the UK (through Ford dealers), in a right-hand drive model, with a warranty. The UK is the biggest convertible market in Europe, strangely, so expect to see this – roof up, obviously – snarling up the streets of Britain come autumn.

305bhp, 155mph top speed, 0-62mph in 4.3secs, £32k



VW DUNE BUGGY CONCEPT

Hippies with spanners used to make these in the '60s. And, hopefully, you'll soon be able to pull on a kaftan and sandals and take a spin in this jacked-up all-roader. Raised 50mm and on 19in rims with a ski rack, lippy spoiler and now, mandatory touch screen display, this is something VDub really, really needs to make.

150bhp, 115mph top speed, 0-62mph in 8.4secs, £25k

Meet the *Take Me Out* honeys!

We let Kayleigh, Kelly and Emma light up our lives!

WITH ITS rubbish catchphrases, cheesy blokes and a strange mix of 30 terrifying/intimidating/challenging lady contestants, *Take Me Out* is like a hen night crossed with a job interview. And therefore brilliant, obviously. It also introduces the world to a vast array of saucy singletons. We cherry-picked a trio of corkers from the latest series and created a more "late night", less teatime version...

IT'S A SEXY SATURDAY!

Catch more of the girls on the sixth series of *Take Me Out* on ITV/HD every Saturday evening.

Kayleigh

Kelly

27 **Newcastle, boutique owner**

Hi Kelly! What does it feel like to see yourself on TV?
I didn't get to wear what I wanted on the show. It was strange, because I wouldn't normally look like that. I get quite cringy when I watch it.

What's it like having your light turned off?
It's nice to have the control bit where you choose to turn your light off, but when the shoe's on the other foot, it's a whole different ball game!

Were you expecting to find love on the show?
I thought it would be nice, but it didn't happen.

Finally, what does Paddy McGuinness smell like?
Fresh!

"I cringe watching myself on TV!"
Kelly

"Most girls would go on a date given the chance!"
Emma

Emma

19 **Nottingham, student**

Hi Emma! Your first show is in a week or two. Are you looking forward to seeing yourself on TV?
I'm nervous. I also didn't wear any of my own stuff. I was put into stuff by stylists, and I wasn't always pleased with it. So I'm a bit wary.

What's it like having your light turned off?
I actually never ended up with my light on, in the end! From the point that I went on, everyone was below four foot!

Were you expecting to really find love on the show?
I wasn't gagging for a date, because I hadn't been single all that long. But I think most girls, if they got the chance to go on a date, would take it.

Finally, what does Paddy McGuinness smell like?
Amazing!

INTERVIEWS: RORY BUCKERIDGE PHOTOS: NIGEL CRANE

Kayleigh

23 **Sheffield, model**

Hi Kayleigh! What does it feel like to see yourself on TV?
Awful! Awful! Absolutely awful! Because, firstly, my voice. I didn't realise that I sound like this. And I'm rabitting on! They showed me quite a bit. And I got my light turned off – that were a bit embarrassing. But it's surreal. I want to do more telly now!

What's it like having your light turned off?
I thought I'd just swallow my heart – it was terrible! You get a question, and you're put on the spot and the cameras go on you and everyone's watching you. To be honest, it was a good thing, because I wouldn't have stayed on the show with the girls. But at the time it was, "Oh my God!" embarrassing. Rejected on telly!

Were you expecting to really find love on the show?
Not particularly love, but to meet somebody. It's a dating show, so it would have been nice to go on a date. The whole experience was amazing.

Finally, what does paddy McGuinness smell like?
Really nice. Amazing. We love Paddy!

"I want to do more telly now!"

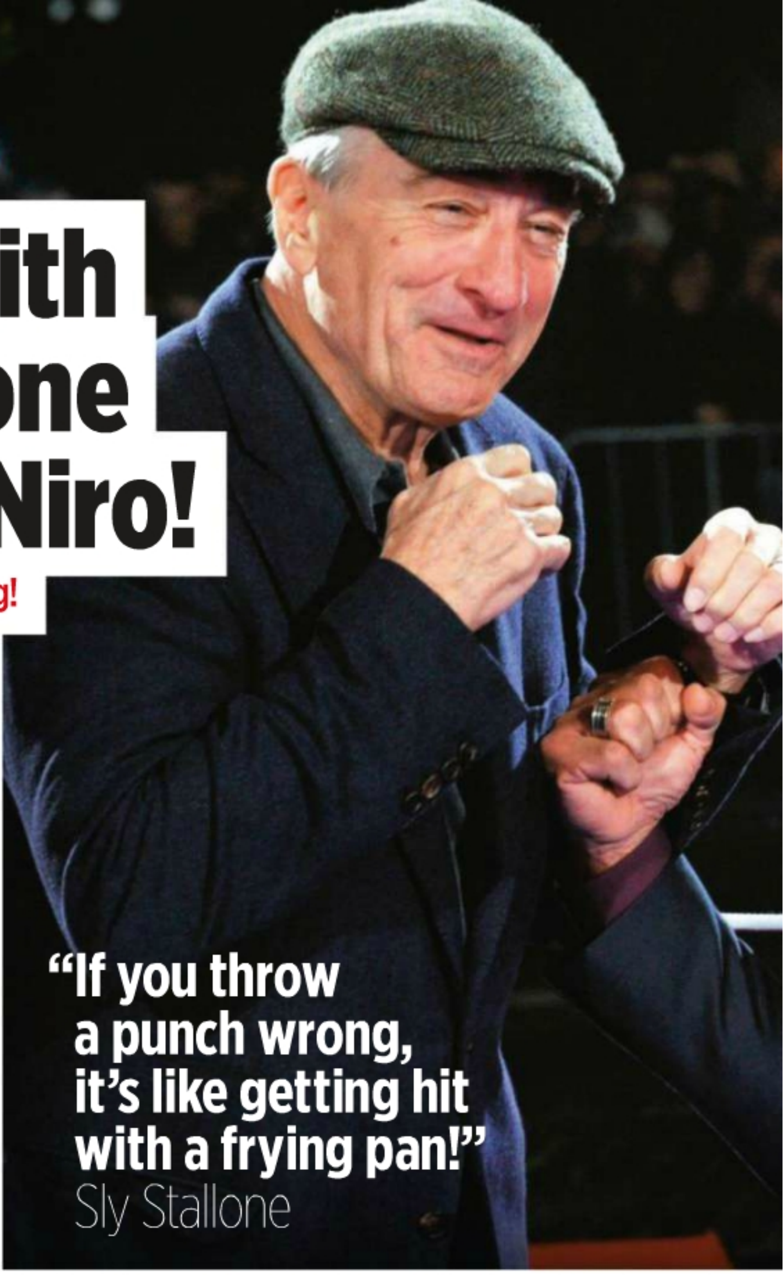
A quick word with Sylvester Stallone and Robert De Niro!

The wrinkly thesps on stepping back into the ring!



> **"If you throw a punch wrong, it's like getting hit with a frying pan!"**
> Sly Stallone

Hi Sly and Robert! Why have you decided to come back to doing boxing movies at this stage in your lives?

Sly: I put Rocky to rest with *Rocky Balboa*. I was really happy with his farewell. He sort of just disappears into the distance. I thought that would be it, but then *Grudge Match* came along. I wasn't really up for it, to be honest. I thought it was just gonna be a skit. I was being very precious with what we'd built up with Rocky over the years but Bobby (De Niro) kept calling and busting my chops. But I was thinking, "This is gonna be Raging Bullwinkle against Rocky the Italian Flying Squirrel!"

De Niro: Everybody realised if Sylvester wasn't involved the movie wouldn't work.

Sylvester, who do you think would win a fight between Jake LaMotta and Rocky Balboa?

Sly: Um, Rocky Balboa beats Jake LaMotta. But only because I'm writing the script! Rocky would have a real tough time against the real-life Jake LaMotta. So my money's on Jake. You've gotta back the real fighter.

Bobby, is this the first time you've laced up the gloves since you played LaMotta in *Raging Bull*?

De Niro: Yeah, from time to time I would just train for the sake of it, but for real it was actually when I started doing this movie with Sylvester and he put me in the ring with his great trainer Rob Sally, who he's been working with for ten years.

Sly: We were wearing eight-ounce gloves. So, if you throw a punch wrong it's like getting hit with a frying pan. So yeah, Bob got right back into it. He just couldn't wait to hit me!

Were you both trying to outdo each other in training for *Grudge Match*?

De Niro: I was training in New York while Sylvester was in LA so, when we finally got together in New Orleans, he took over the whole thing.

Sly: I couldn't wait to get in the ring with him. It was like, finally! I really wanted to beat up Jake LaMotta so badly. But he came ready to rumble. We made the canvas as thin and fast as we could so we could get around the ring easier and make the final showdown look real. We started sparring and Bob's very much like Jake LaMotta – always coming forward – but my personal style is different to Rocky. I like to hang back and counter punch.

What sparked your interest in boxing?

De Niro: I'm not as into the sport as Sylvester, but back in the day, I'd see [Jake] LaMotta around – he was a bouncer in a club I used to go to.

Sly: Back in school, a big bully was always coming after me so I stood up to him and started to pepper him... Bam! Bam! I thought, "Wow! I'm starting to like this!" Then I became the school bully until someone bigger came along and beat me up! I'm not overly gifted in it but I think I understand the science and the body mechanics behind it. I'm so enamoured of boxing I'm surprised I didn't end up marrying a referee!

Your characters decide to get their fight on after their ruckus goes viral. How active are you on social media?

Sly: Every time I speak my mind online I get *really* in trouble! I think George Clooney said it best – you've gotta be an idiot if you're a celebrity and use Twitter. You wake up in the morning and when you're sober you realise your career's over! You think you're a genius in the middle of the night and wake up an idiot. But Instagram's just for young people, right? Wouldn't we look like pervs if we used that? Here we are at the hospital getting our backs checked!

De Niro: I can email a text, but that's it!

OLD PROS PACKING A PUNCH! The film follows ageing boxers De Niro and Stallone squaring up for one last bout.

INTERVIEW: DAN BRIGHTMORE PHOTOS: REX FEATURES

"OK, OK, you can have a Werther's Original!"

Razor uses a lot of old school strong-man exercises to get in shape – pulling trucks and flipping monster tyres. What are the benefits, Sly?

Sly: I like keeping it old school. My favourite fighter, Harry Greb, fought 435 times with one eye, with four-ounce gloves and no mouthpiece. It was all about conditioning. The manual labour guys like this would strengthen different muscles and I tried to incorporate some of that. There's a certain blunt force trauma involved in developing the kind of power George Foreman used, so I try to mix that with the scientific approach. But can I pull that truck in the film for real? No! What am I? Some kind of Polish strong man?

Bobby, how hard was it to play a real-life boxer both in shape and out of shape?

De Niro: Marty Scorsese and I did our take on Jake LaMotta's life, but yeah, it was hard. Gaining the weight was tough. After 15 or 20 pounds... just drudgery! Then losing it.

Thanks for the chat! Finally, if you could have a real-life grudge match, who would you like to get in the ring?

Sly: My attorney! Or some dictator, you know. OK, let's see how you like to be punched out. How about you, Bob?

De Niro: Yeah, it's a long list but I'm not gonna say...

● *Grudge Match* is in cinemas on 24 January.

INSIDE THE SECRET SERVICE!

***Nuts* explores the secrets of protecting the leader of the free world...**

THE US President receives an average of ten death threats a day, on top of the 25-30 attempts per year to actually get into the White House.

"People have tried to ram the gates with cars, scale the eight-foot high reinforced fence... For the same reason that people stalk the President, the White House is a magnet for the psychotic," comments former Secret Service agent Pete Dowling on the challenges faced by those who protect the leader of the free world.

In Sony's awesome action flick *White House Down*, it's Channing Tatum who's tasked with protecting Jamie Foxx's President Sawyer from a very real and deadly threat to the iconic seat of power.

It's a movie packed full of insight into the intricacies and inner working of the Secret Service that puts a very unique organisation under the spotlight.

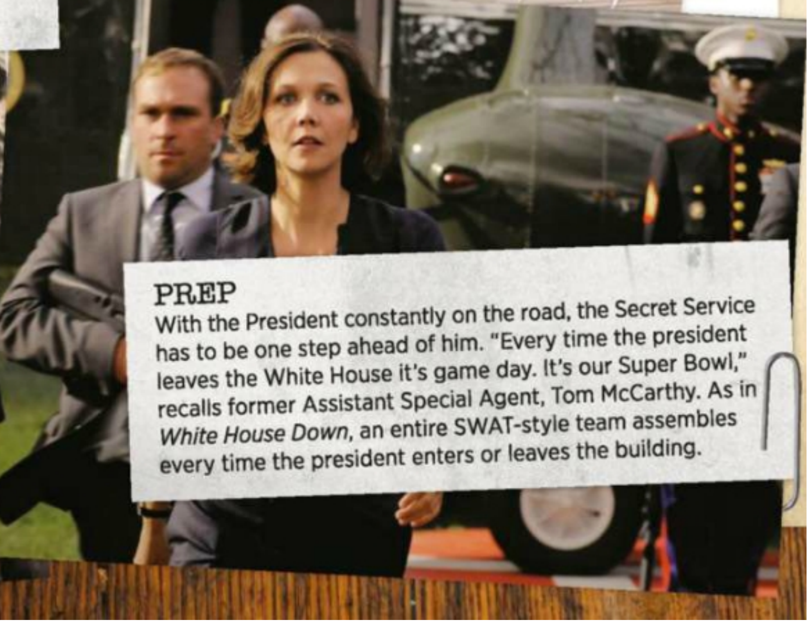
With that in mind, *Nuts* takes a closer look a just what it takes to protect a president and meets some of the men who've done so.

ESCAPE PLAN

Former Deputy Director of the Secret Service, Larry Cockell, explains how other officials need to be located in the event of an attack such as 9/11. "After the first aircraft hit the World Trade Center, we activated our continuity of government plan and we deployed agents to locate and protect anyone in the line of succession to the president."

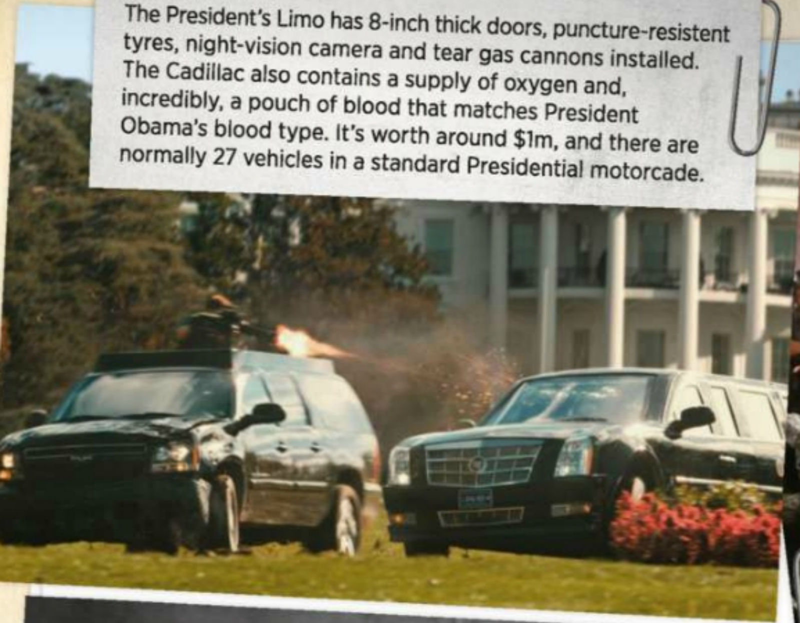
AN EXTREME DISCIPLINE

Perhaps the toughest requirement to be a Secret Service agent is the ability to take a bullet for another. Former agent Jerry Parr recalls, "When shots are heard, we're trained to cover and evacuate. Cover means with your own body. It's a counter-instinctive moment. It's muscle memory... It's a moment where history and destiny hang in the balance."



PREP

With the President constantly on the road, the Secret Service has to be one step ahead of him. "Every time the president leaves the White House it's game day. It's our Super Bowl," recalls former Assistant Special Agent, Tom McCarthy. As in *White House Down*, an entire SWAT-style team assembles every time the president enters or leaves the building.



WHEELS

The President's Limo has 8-inch thick doors, puncture-resistent tyres, night-vision camera and tear gas cannons installed. The Cadillac also contains a supply of oxygen and, incredibly, a pouch of blood that matches President Obama's blood type. It's worth around $1m, and there are normally 27 vehicles in a standard Presidential motorcade.

RING OF STEEL

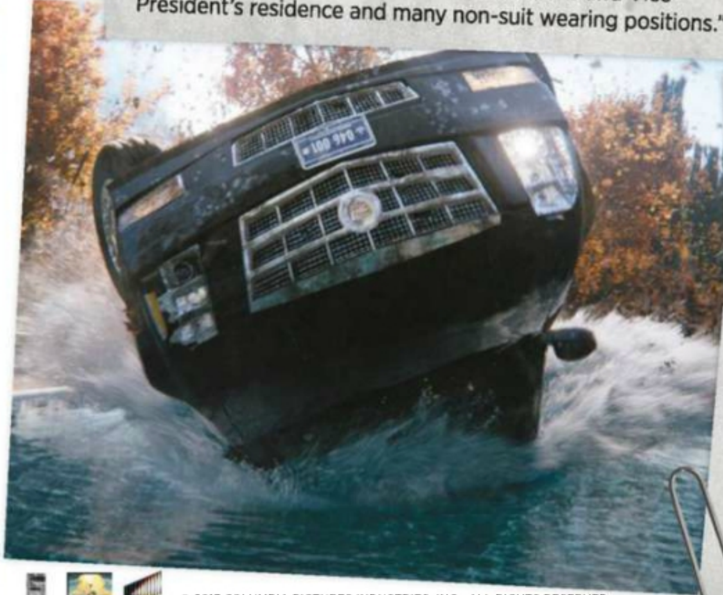
The Secret Service codename for the White House is 'Castle' and the presidential offices are referred to as 'Crown'. In the early '90s, gates were reinforced with steel. "An iron beam comes out of the ground behind those gates when the gates close. A two-tonne truck could slam them at 40 miles-per-hour, and they will withstand it," according to one agent.

A HIGH-PROFILE IMAGE

"The initial image you've drawn in your mind is a well-built male wearing a suit and earpiece, walking next to the president," says former agent Jeff Hopeck. "But the Secret Service also handles credit card fraud, internet crimes, uniformed services around the White House and Vice-President's residence and many non-suit wearing positions."

THE RIGHT KIT

The White House has its own dedicated SWAT team known as the Secret Service Emergency Response Team (or ERT). These skilled agents wear kevlar assault suits and are armed with P90 sub-machine guns, Glock 9mm pistols, 900MHz encrypted radios, and Wolfeyes lumen torches that are more powerful than BMW headlamps.



SECURE TRANSPORT

The Secret Service also has Air Force One at its command whenever 'Passenger One' needs to get around. The 747 – which becomes the United State's command centre in *White House Down* – is six-storeys tall and features the ability to be fuelled mid-air. The President's quarters are located within the nose of the aircraft and contain a gym and surgeon's table!

Nuts-loving squaddie's band of titanium deprives him of digit!

IT'S BAD enough, when you're a British squaddie serving in Afghanistan, having to deal with the Taliban taking pot-shots at you. But when you find yourself betrayed by the ring you're wearing on your finger, you really have reason to be ticked off. Step forward RAF Regiment man Josh Holleran from Rochdale, who found himself pulled out of the Operation Herrick firing line when a mishap left him a finger down.

"I was working on a wagon in the compound, trying to fasten down a truck canopy," Josh explains. "And I fell off it. As I tried to steady myself, my ring got caught on something and, well, the ring's titanium, which means it's pretty strong. Looking at it now, there's not a scratch on it, but it took all the flesh of my ring finger off!"

There was no hope of saving Josh's finger and he now has a stump where it used to be. But he's still chipper thanks to his favourite magazine.

JOKE OF THE WEEK!

LULU WAS a prostitute, but she didn't want her grandma to know. One day, the police raided the brothel and made all the girls line up outside. Suddenly, Lulu's grandma came by.

Grandma asked, "Why are you standing in line here, dear?"

Not willing to let her grandma know the truth, Lulu told her that the police were passing out free oranges and she was just lining up for some.

"That's nice of them. I think I'll get some for myself," Grandma said, and she joined the end of the line.

A cop was going down the line questioning the prostitutes and when he got to Grandma, he was stunned. "Wow!' He said. "How on earth do you manage it at your age, old girl?"

Grandma replied, "It's easy, dear. I just take my dentures out, rip the skin back and suck 'em dry!"

Celebrating ten years of magnificent merrymaking!

IT'S ALWAYS been *Nuts*' aim to bring cheer to the fine gents of Britain and beyond, whether it's though sexy shoots, silly stunts or ace interviews. Here's a selection of stories that have shaped your favourite magazine over the years. Enjoy!

GIRL OF THE YEAR!

KELLY BROOK

In our debut year, Kelly was the darling of the *Nuts* fraternity, turning up on the cover on no fewer than four notably bosomy occasions!

NUTS MEETS MATADORS!

There's very little that can't be improved by the presence of little people, and so it proved with bullfighting. *Nuts* visited Venezuela to meet the pint-sized princes of the bullring.

ATHENS HOSTS OLYMPICS!

2004 was an Olympic year, but *Nuts* was miffed that darts wasn't an Olympic sport. We flew then-world champion Andy Fordham out to Athens with a massive dartboard to make our point.

SVEN MISBEHAVES!

We commemorated then-England manager Sven-Göran Eriksson's bed-hopping ways by delivering a double bed to him at the FA! They were thrilled, as you can imagine...

CHIMP SHOOTS TO FAME!

Yes, that really is a chimpanzee who can do karate. Jackie Chimp became a men's mag legend, and even inspired one *Nuts* staff member to get him tattooed on his leg, the berk.

ABI TAKES OVER NUTS!

With all due respect to our editor at the time, we much preferred having Abi Titmuss take over the magazine for a week. She was much easier on the eye, and didn't moan about Topless Tuesdays.

HOODIES ARE BANNED!

In 2005, Tony Blair supported a Kent shopping centre's stance on banning hoodies. So *Nuts* descended on British shopping centres to hand out free ones, only to be thrown out!

FERGIE HEADS FLYING PIZZAS!

One of football's big stories was Pizzagate, in which Alex Ferguson got pizza thrown at him by Arsenal players. We tested pizzas for aerodynamics – by chucking them at the workie!

BB BABE GETS NAKED!

This year's Big Brother gave us Northern Irish hottie Orlaith McAllister, who wasted no time in getting her kit off and revealing quite simply one of the best botties ever!

PETE DOHERTY BAGS KATE MOSS!

Midway through his decade of madness, druggy scarecrow Pete stunned a nation by copping off with Kate. *Nuts* tested his look to see what the appeal was. Weirdly, it worked!

GIRL OF THE YEAR!

SOPHIE HOWARD

It's apt that in our sophomore year, we should see more o' Soph! The bawdy beauty from Merseyside racked up an astounding nine covers!

ENGLAND WIN THE ASHES!

As an early blow in the psychological war for the Ashes, *Nuts* greeted the Aussie squad at Heathrow with a "BAR STAFF WANTED" sign. And we won! Seems like a long time ago now...

MODELS TAKE DRUGS!

Nuts was shocked to hear there was a drug problem among supermodels. So we rocked up at London Fashion Week with a wheelbarrow of white powder. We're nice like that. ▶

BB'S SASKIA IS UNVEILED!

Nuts is always the mag that lovely ladies go to first to pose topless. We're used to it. But even we weren't ready for *Big Brother* star Saskia Howard-Clarke's logic-defying boobs!

NUTS CHEERS UP BRITAIN!

We showed the women of Britain that it's great to go topless in the summer heat, by stocking a topless bus with topless lovelies to hammer home that topless is good!

CARLOS TÉVEZ JOINS THE PREM!

We welcomed Carlos Tévez to the Prem in 2006 by ensuring that he'd never be interviewed by us, ever. On the plus side, our compilation of Tevez lookalikes was hilarious!

GERMANY HOSTS THE WORLD CUP!

Nuts is proud to have covered two World Cups. We reserved our seats in Frankfurt in the classic German way – by setting down limited-edition *Nuts* towels. Take that, Fritz!

GIRL OF THE YEAR!

LUCY PINDER

It was a momentous year for Lucy, as she bagged herself four covers, ahead of going topless for the first time in 2007 – only in *Nuts*. Yay us!

BORAT TAKES OVER NUTS!

Sacha Baron Cohen unleashed his Kazak creation and a comedy classic was born. He celebrated by popping into *Nuts* – complete with a live goat, which he milked. And yes, it was male!

KELLY BROOK GETS NAKED!

When Kelly bared all in the movie *Three*, *Nuts* was right there with the stunning pictures. Apparently the film was a bit dodgy – frankly, we couldn't care thruppence!

2007

NUTS TRIES OUT THE FREDALO!

Freddie Flintoff gave us the comedy moment of the year when he got so spangled while on England duty in the West Indies, he capsized a pedalo off the coast and had to be rescued!

CHANELLE HAYES

Although a top bloke, winner Brian Belo is not the reason we remember *Big Brother 8*. That honour goes to Chanelle, who may not have won the show, but certainly won our hearts.

WEMBLEY'S FINALLY FINISHED!

England's new national stadium was finally complete – but not without a multitude of problems due to shoddy workmanship. *Nuts*' crack team of "cowboy builders" went along to help!

NUTS INVENTS TOPLESS Wii!

No sooner had the Wii turned up in our office than several *Nuts* girls took to playing it topless. When footage of their antics leaked online, the videos went viral and a global craze was born!

BOURNE BOWS OUT!

This was the year that gave us *The Bourne Ultimatum* – the final outing for Matt Damon as the botty-kicking assassin and *Nuts*' favourite action movie since *Die Hard*!

THE WORLD MEETS MEGAN FOX!

There were a few ace movies this year and *Transformers* was right up there. It had robots! It had cars! It had robots that turned into cars! But most importantly, it had Megan Fox.

Sly Stallone returned as '80s action hero John Rambo at the age of 62! Looking like a 'roided-up scrotum, he hacked, smashed and shot his way through 83 bad guys in this bloodbath of a film! Silly? Yes. Ace? Undoubtedly!

HAMILTON IS CROWNED F1 CHAMP!

This was the year Britain bagged herself an F1 World Champ. Driving for McLaren, Lewis Hamilton snatched the title with seconds to spare in Brazil, crowning him youngest Champ ever!

THE INBETWEENERS DEBUTS!

Buried away on E4 was a new sitcom about the japes of four hapless sixth formers that went on to become a British comedy institution. Heck, *Nuts* even had a few cameo appearances!

GIRL OF THE YEAR!

EVA

As "sexiest new babe in Britain", Eva went on to become a *Nuts* cover star *and* came 11th in *Taniec z gwiazdami*, the Polish *Strictly Coming Dancing*!

CITY HAVE A MAD YEAR!

Man City started the year with Sven as gaffer, the ex Thai PM as owner and Elano as star striker. They finished with Mark Hughes in the big seat, Sheikh Mansour signing the cheques and a British transfer record of £32.5m for Robinho!

THE WIRE FINALLY ENDS!

We love *Breaking Bad*, *Mad Men* and *Boardwalk Empire* but *The Wire* set the standard. Sadly, it came to an end in 2008, with a massive blow out of bodies, bullets and boozy cops.

KATY PERRY KISSES GIRLS!

In April, a catchy lil' pop ditty was released. The singer of *I Kissed A Girl* was very hot, and the effect it had on many girls, who took to kissing each other on nights out, was equally hot!

10 YEARS OF NUTS!

HAYE TAKES ON VALUEV – AFTER MEETING NUTS!

Haye is 6ft 5 and Valuev is 7ft 2. Haye weighs 15st, Valuev 23st. Haye has a reach of 81in, Valuev 88in. So how did "little" David Haye end up battering Valuev? We'll let you in on a little secret – *Nuts* man softened the big Russian up first!

AVATAR BLOWS US ALL AWAY!

3D cinema's been around since 1915 but in 2009, Avatar showed us how it's really done. Most films have been 3D ever since!

GAGA BREAKS OUT!

With her beef suits, phone hats and that rumour about her bits, the *Nuts* jury is very much out on Ms Gaga. That she's made an impression since 2009's *Pokerface* made her a superstar isn't in dispute. She also has a bottom so ace, it deserves a separate round of applause.

JEDWARD ARE BORN!

There has been much fruit borne of reality TV over the years. Sometimes that fruit comes in the shape of a gorgeous curvy woman like Cheryl Cole, in 2009 it came in the shape of two Irish berks with gravity-defying barnets.

JENSON BUTTON TAKES F1 CROWN!

You wait years for a British F1 champ and then two screech around the corner one after the other. Jenson Button proved anything Lewis Hamilton can do, he can do too.

RONALDO GETS A NAFF NEW LOOK!

This was the year that saw Ronaldo's look shift somewhat. Nut-crunchingly small shorts and a too-tight polo shirt "matched" with a pink cap, sunnies and a flower behind the ear, anyone? ▶

GIRL OF THE YEAR!

SOPHIE READE

When *Big Brother* featured the heftily chested Ms Reade, it was kind of a no-brainer that she'd end up on the cover of *Nuts*!

2010

CAMERON BECOMES PM!

The Tory MP became PM – but not before he'd received an egging on a visit to Cornwall. Doing our bit for public service, *Nuts* road-tested the best eggs to chuck at bumbling politicians!

MEAT SUITS EN VOGUE!

When professional mentalist Lady Gaga turned up to the MTV Awards wearing meat, we promptly fashioned our own man's version and went out on the pull. The result? Not a lot!

VUVUZELAS RUIN THE WORLD CUP!

We pratted around finding alternative uses for vuvuzelas that were less irritating than their intended use, like using them as giant pea-shooters!

GIRL OF THE YEAR!

ROSIE JONES

This was the year in which Miss Jones became the nation's ultimate girl next door. Four years – and almost 20 covers later – she's still a universal favourite.

ASHLEY COLE MESSES UP!

When Ashley Cole repeatedly did the dirty on Cheryl, *Nuts* decided his infidelities should be punished in the form of a national T-shirt campaign. You can still buy them (£9.99) at nuts.co.uk!

For anyone who'd forgotten how awesome it was to be British, Bradley Wiggins accepted a *Nuts* legend award to top off what was undoubtedly the best year of his life!

'ARRY ENDS UP IN COURT!

One of the odder elements of Harry Redknapp being accused of dodging tax in 2012 was that he paid bungs to his bulldog Rosie. So we sent the mutt a bottle of champers to celebrate!

BAUMGARTNER BLOWS US AWAY!

This was the year an Austrian chap with a funny name created one of modern history's most iconic images by being the first bloke to skydive from space.

BOND COMES BACK WITH A BANG!

Fresh from starring in a mind-blowing skit with the Queen for the Olympics, Bond gave the bum-end of 2012 a jolly good thumping with one of the best ever 007 outings in *Skyfall*.

KEITH LEMON TAKES OVER NUTS!

From humble beginnings as a Leeds businessman, Lemon's now a national institution. In 2012, he took over an issue of *Nuts*. Sadly, he didn't bring Kelly Brook with him.

THE ROYALS HAVE A RIGHT YEAR!

When Her Maj wasn't jumping out of choppers, she was giving us a long weekend to celebrate the Jubilee. Then Prince Harry went and made us all chuckle by playing billiards in the buff!

GIRL OF THE YEAR!

BILLIE FAIERS

With *TOWIE* firmly established as a reality telly staple, the nation's interests turned to the sexy stars of the show such as Billie here. The booby babe from the box ramped up the raunchiness in her 2012 shoots and has gone on to become a *Nuts* legend.

MURRAY WINS WIMBLEDON!

Andy Murray became the first Brit bloke to triumph at Wimbledon in 77 years. On receiving his *Nuts* Hero Of The Year award, he said: "It's the best thing I've ever won!"

NEXT-GEN CONSOLES ARRIVE!

When, bizarrely, Sony didn't have a finished console available at the launch, *Nuts* helped them out by making our own daft PS4. Thankfully, the real one turned out to be ace!

WE MEET ALAN PARTRIDGE!

It was the year North Norfolk's finest DJ made his big-screen debut, so we got the man himself to write us a guide to his perfect Christmas, and even commissioned a portrait of him! "Do you have a message for the *Nuts* readers?" we asked. His reply? "I do not."

BREAKING BAD RULES TV!

One of the greatest telly shows of all time reached its finale. *Nuts* was lucky enough to interview Aaron Paul and Bryan Cranston. "We've made television history!" said Cranston. Agreed!

A NATION EATS HORSEMEAT!

It was the year we found out we'd all been eating horsemeat in our frozen lasagnes! *Nuts*' reaction? To treat the public to posh horseburgers. Turned out they preferred them to beef!

THE TWERK IS BORN!

When Miley Cyrus introduced the twerk over summer, every twerp was having a go. Disturbingly, football-playing wally Jason Bent was all too willing to show us his moves. ✖

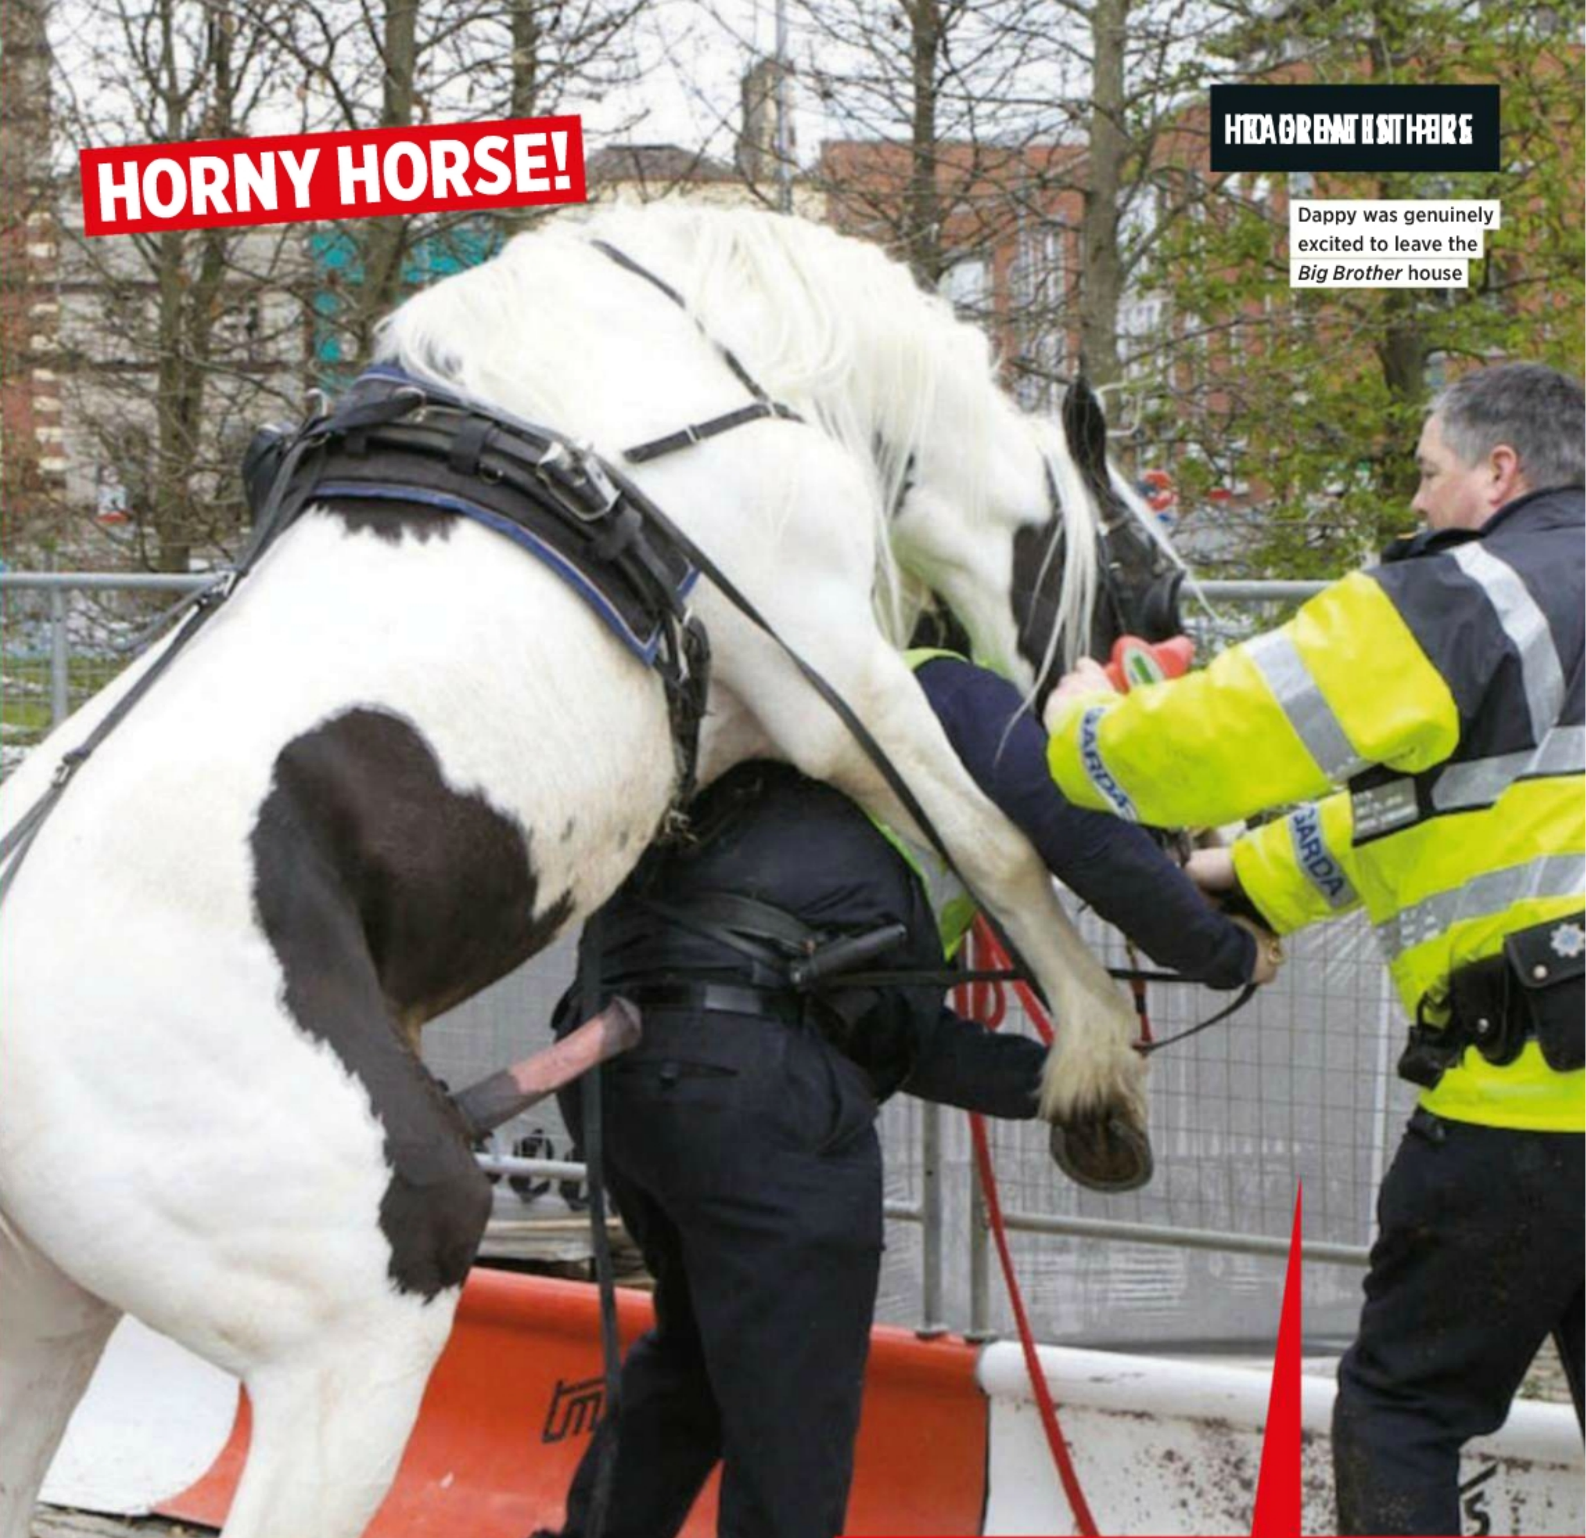
1 BULL GORES MAN! *2010*

We love a good goring as much as the next man here at *Nuts*, but they don't come grislier than what happened to poor Julio Aparicio at Madrid's Las Ventas bullring. Actually, they do come a bit grislier. Just you wait until the end of this feature...



HORNY HORSE!

2 HORSE BUMS COP! *2011*

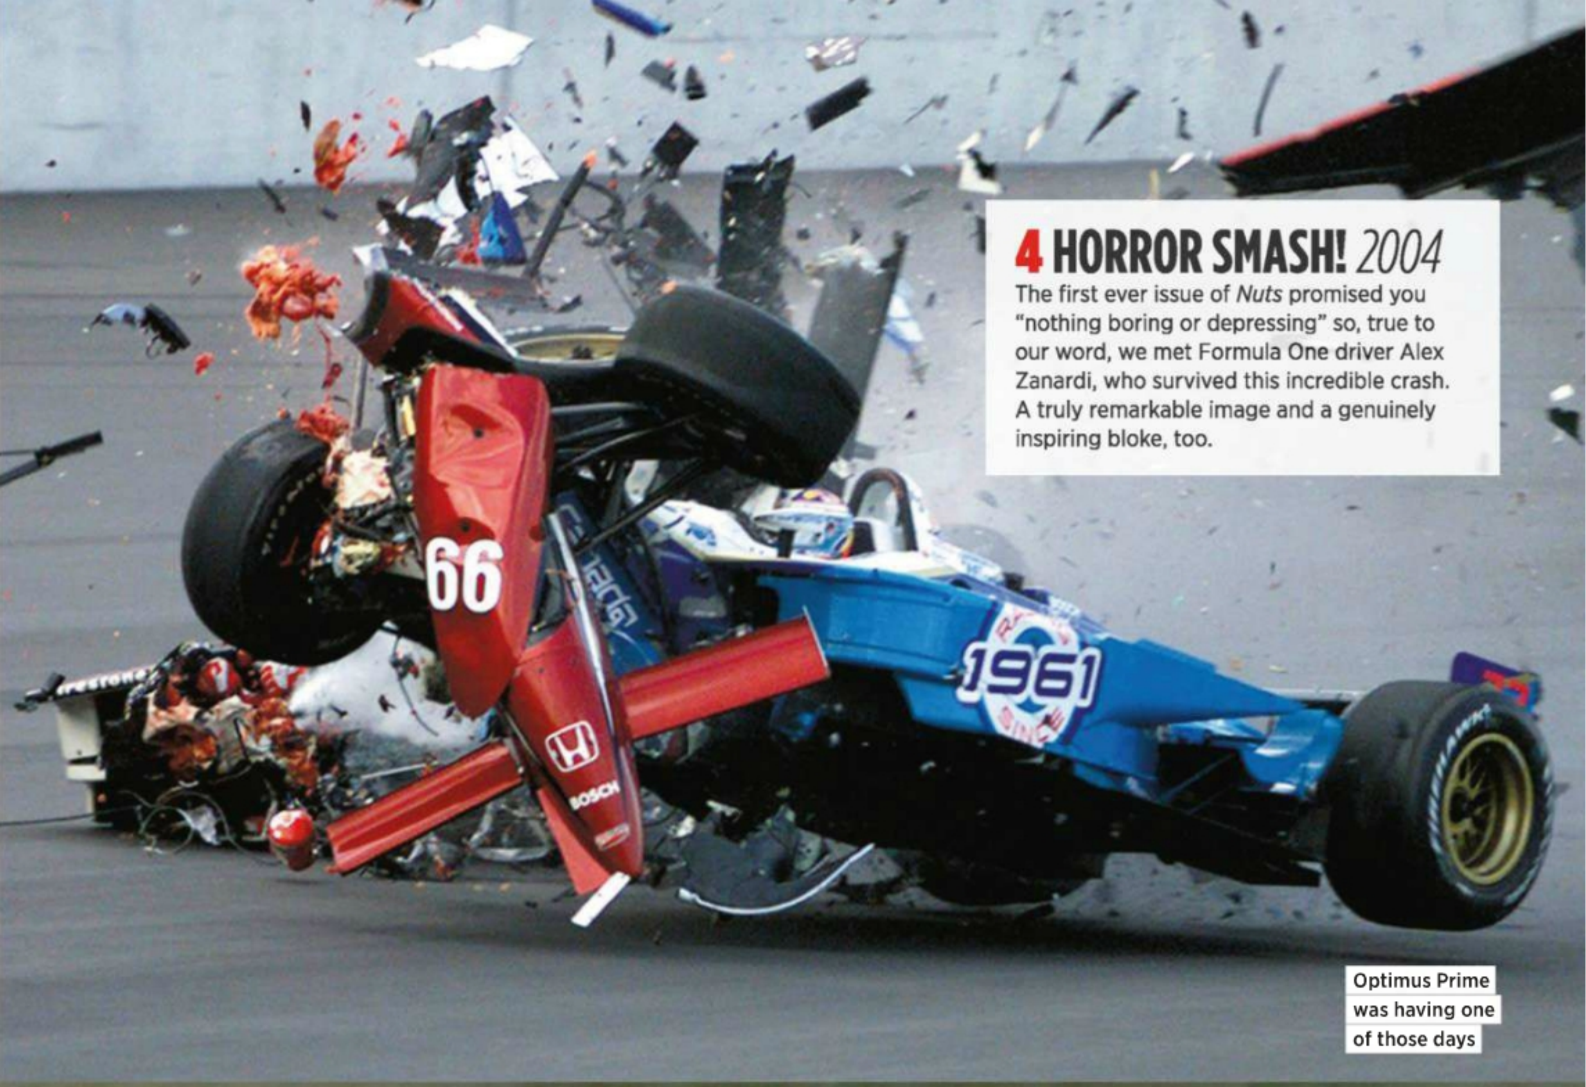
3 SHEARS IN THE EYE! *2011*

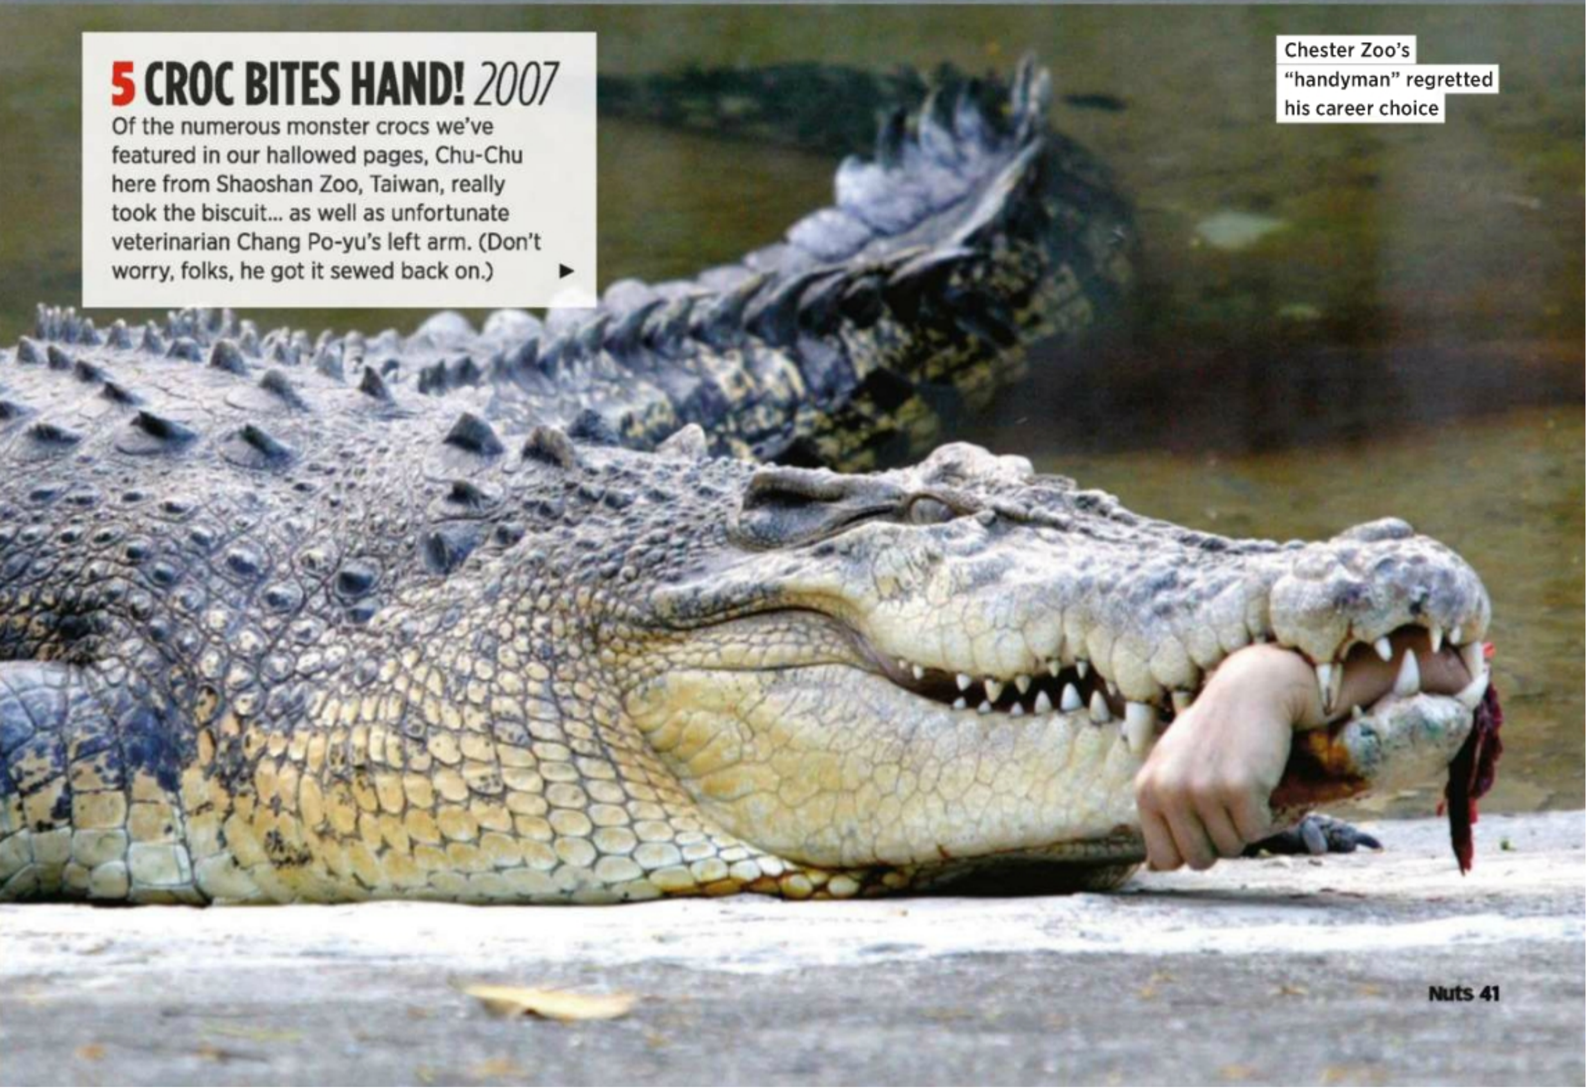
As the home of Don't Look!, you'd think we've seen it all when it comes to stomach-churning pics. Cue Leroy Luetscher – an unfortunate Arizonan who lost his balance while gardening and fell eye-socket first on the handle of his garden shears.



4 HORROR SMASH! *2004*

The first ever issue of *Nuts* promised you "nothing boring or depressing" so, true to our word, we met Formula One driver Alex Zanardi, who survived this incredible crash. A truly remarkable image and a genuinely inspiring bloke, too.

Optimus Prime was having one of those days



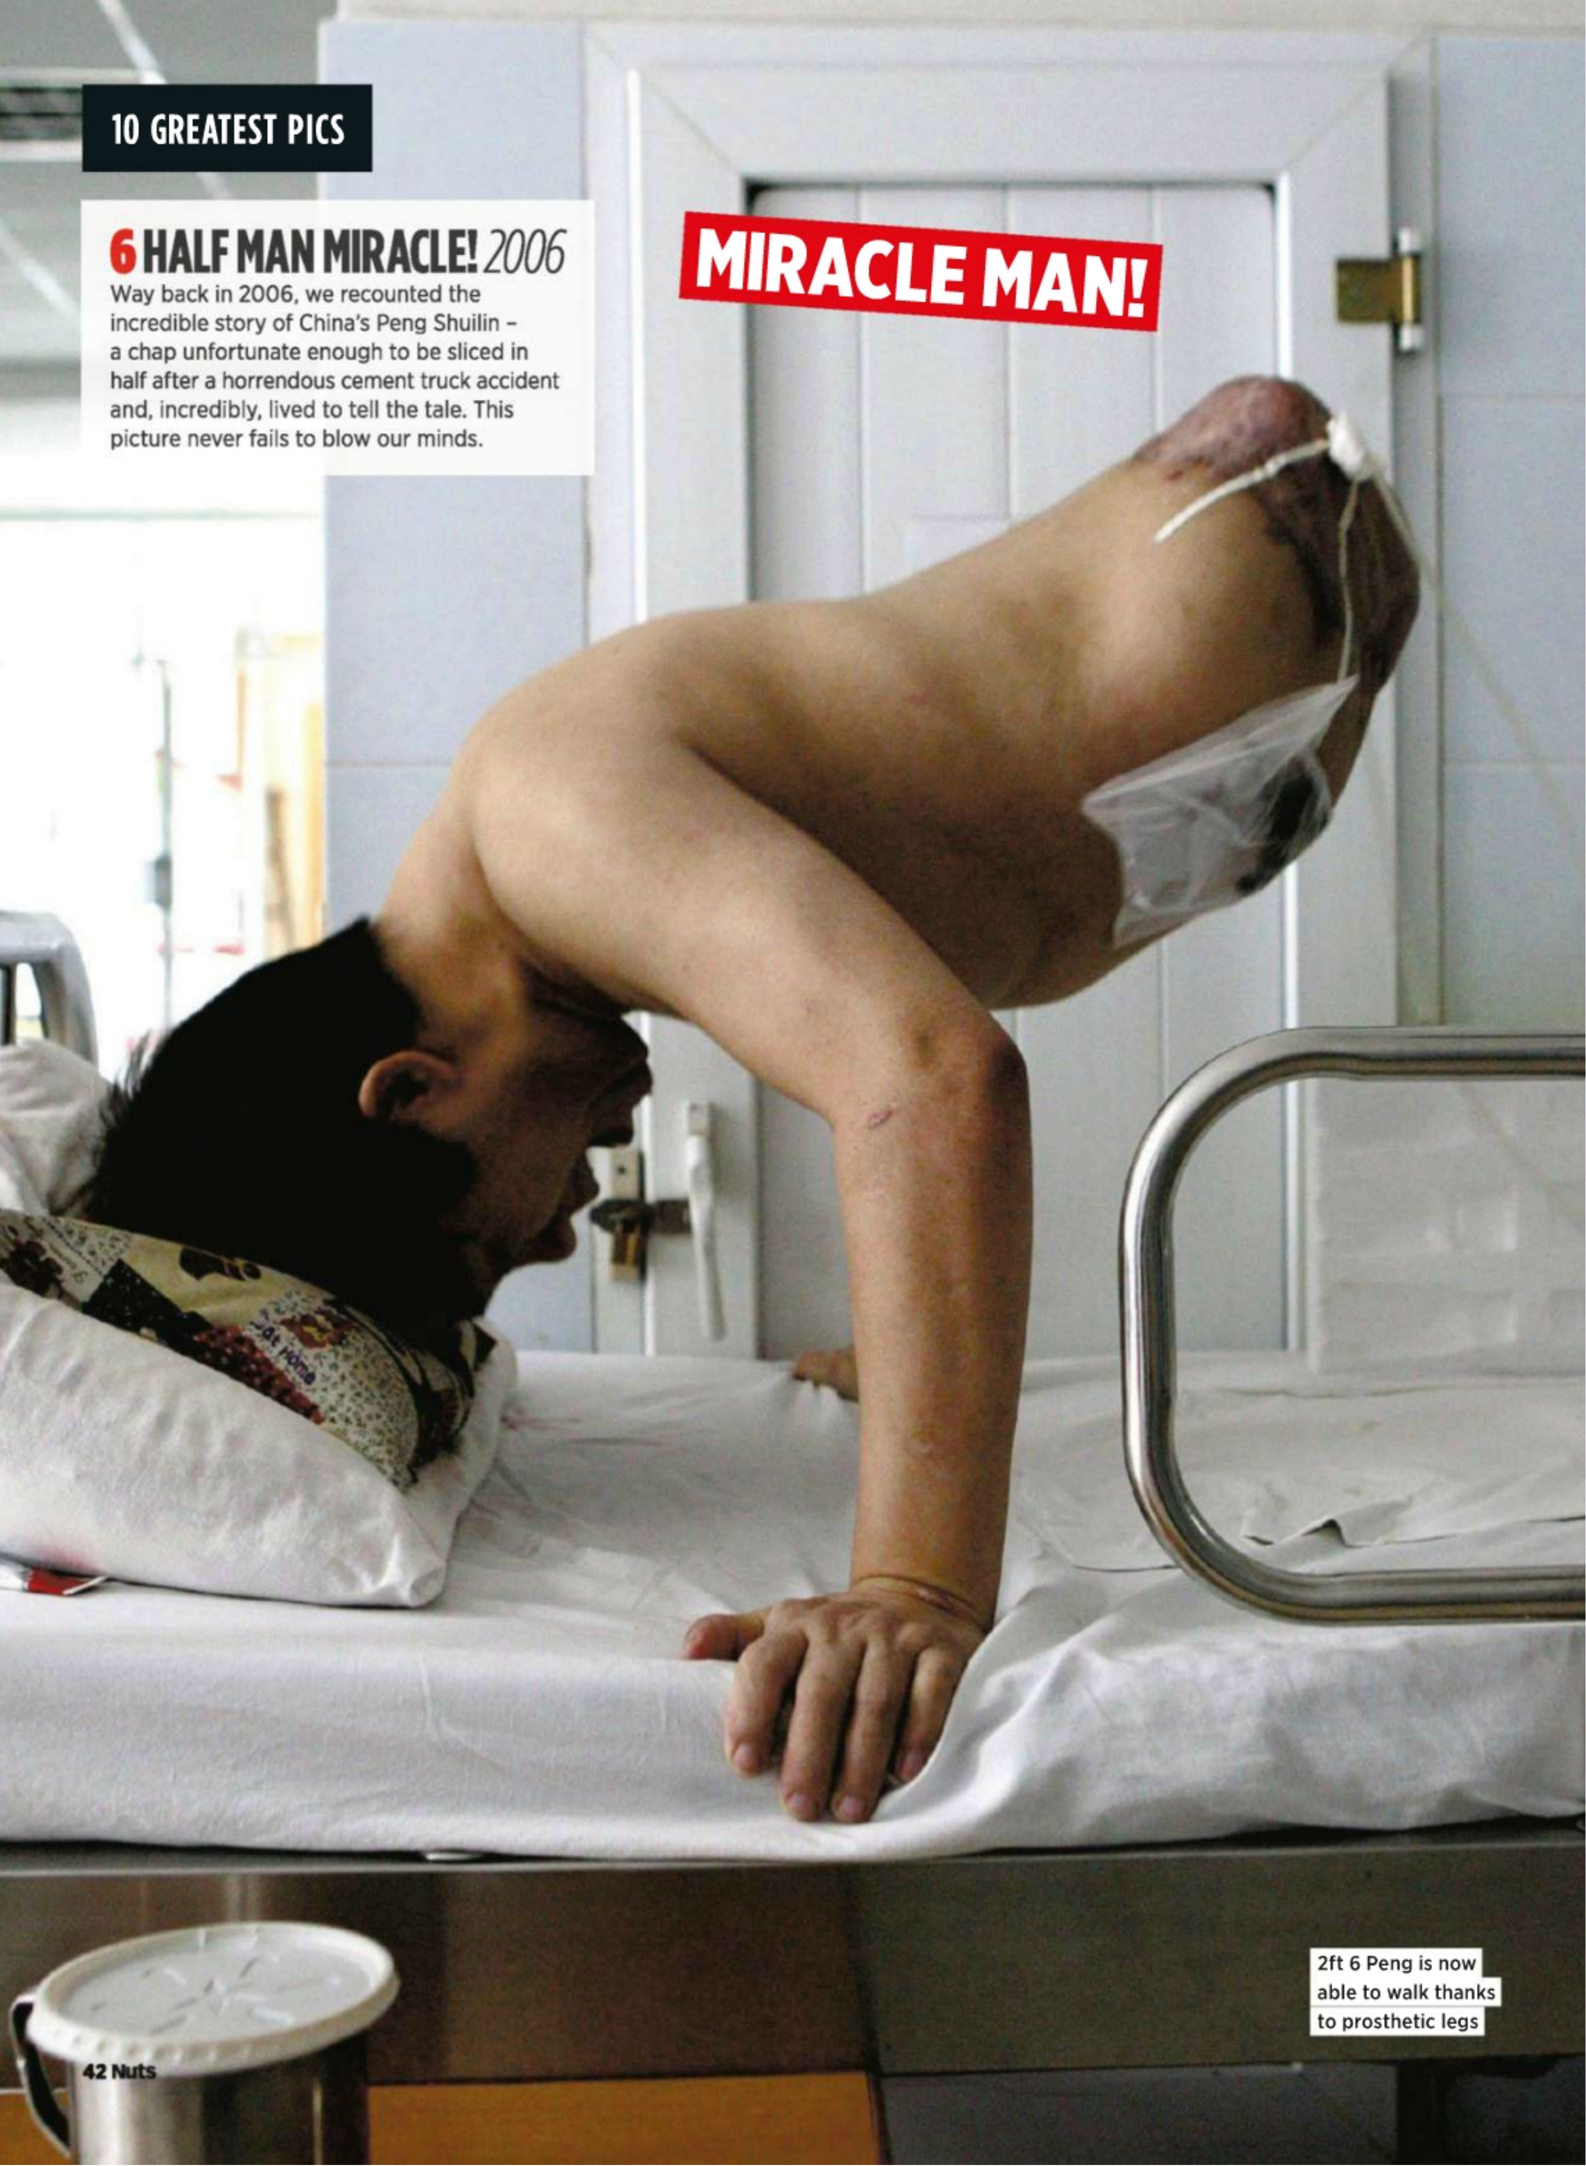
5 CROC BITES HAND! *2007*

Of the numerous monster crocs we've featured in our hallowed pages, Chu-Chu here from Shaoshan Zoo, Taiwan, really took the biscuit… as well as unfortunate veterinarian Chang Po-yu's left arm. (Don't worry, folks, he got it sewed back on.) ▶

Chester Zoo's "handyman" regretted his career choice

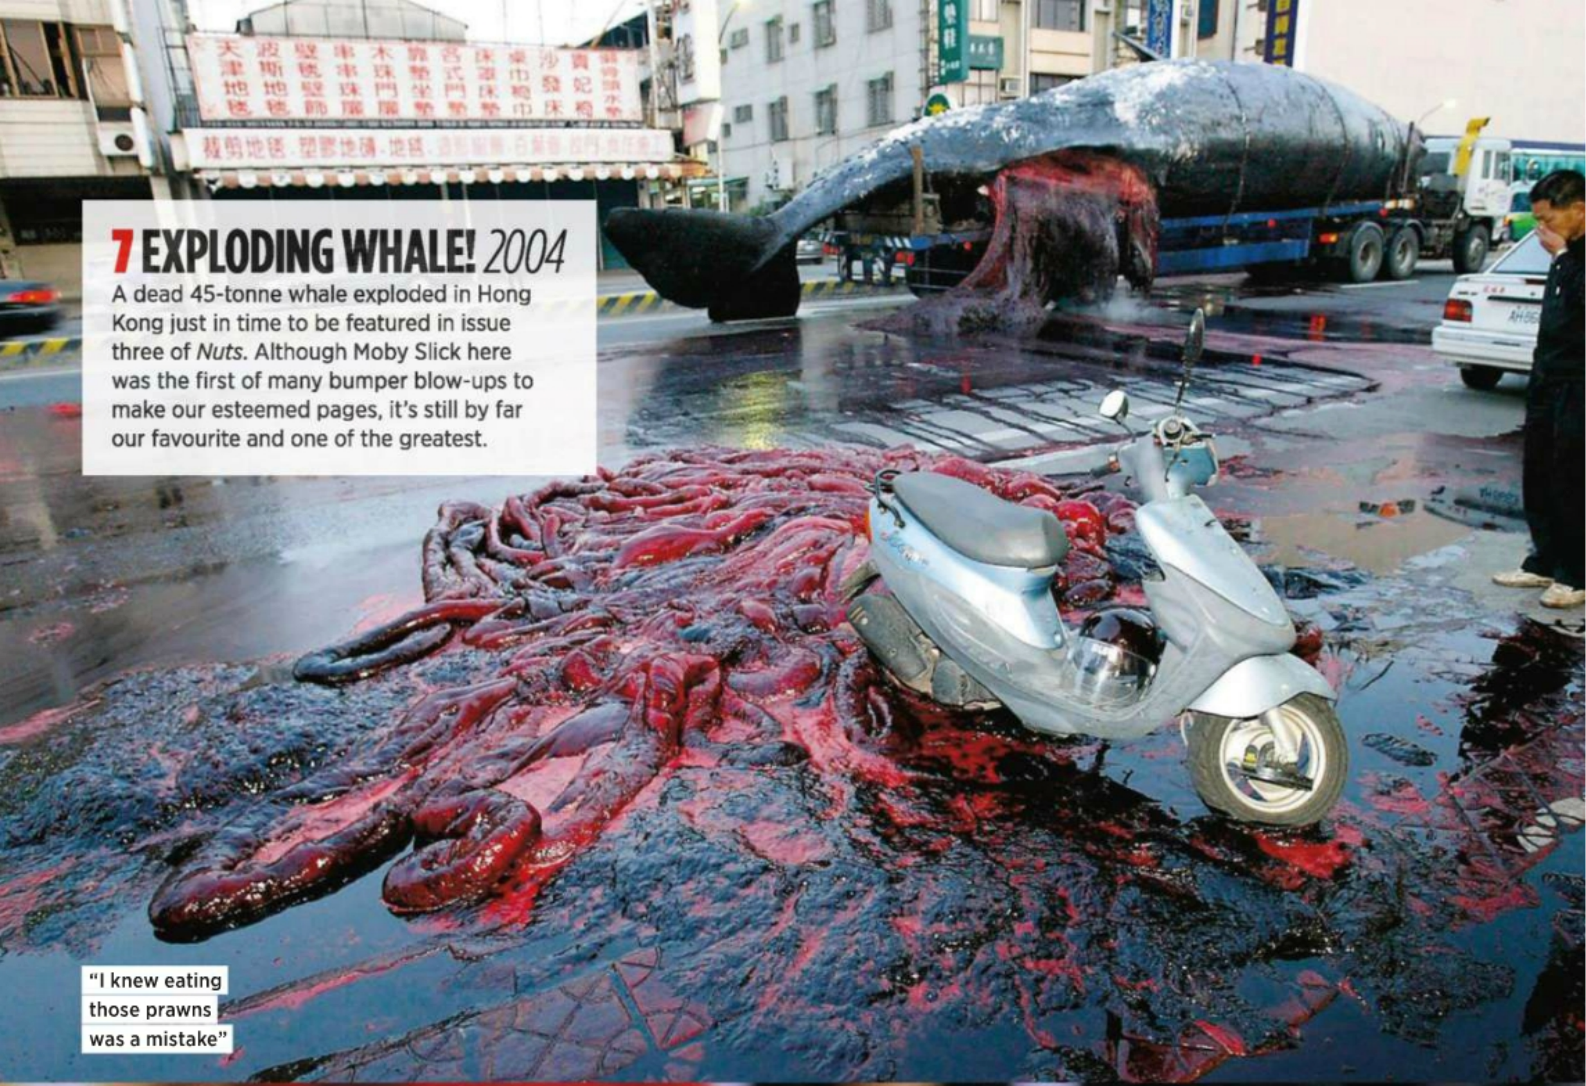
6 HALF MAN MIRACLE! *2006*

Way back in 2006, we recounted the incredible story of China's Peng Shuilin – a chap unfortunate enough to be sliced in half after a horrendous cement truck accident and, incredibly, lived to tell the tale. This picture never fails to blow our minds.



MIRACLE MAN!

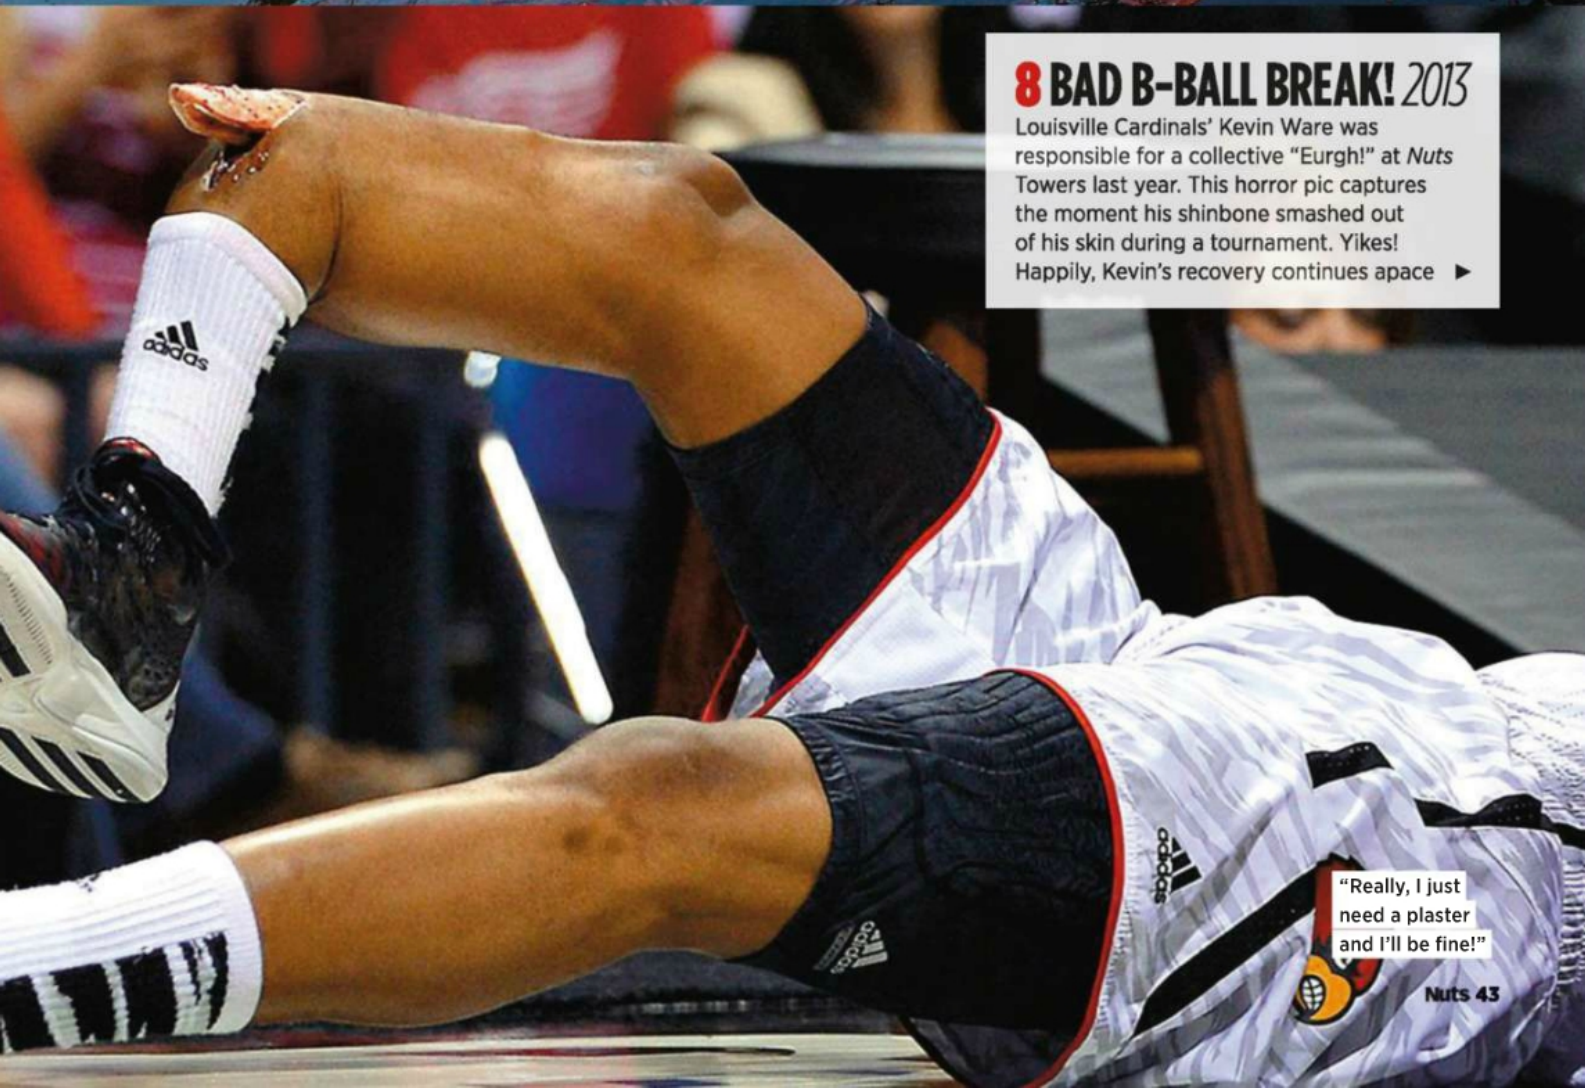
2ft 6 Peng is now able to walk thanks to prosthetic legs



7 EXPLODING WHALE! *2004*

A dead 45-tonne whale exploded in Hong Kong just in time to be featured in issue three of *Nuts*. Although Moby Slick here was the first of many bumper blow-ups to make our esteemed pages, it's still by far our favourite and one of the greatest.

"I knew eating those prawns was a mistake"



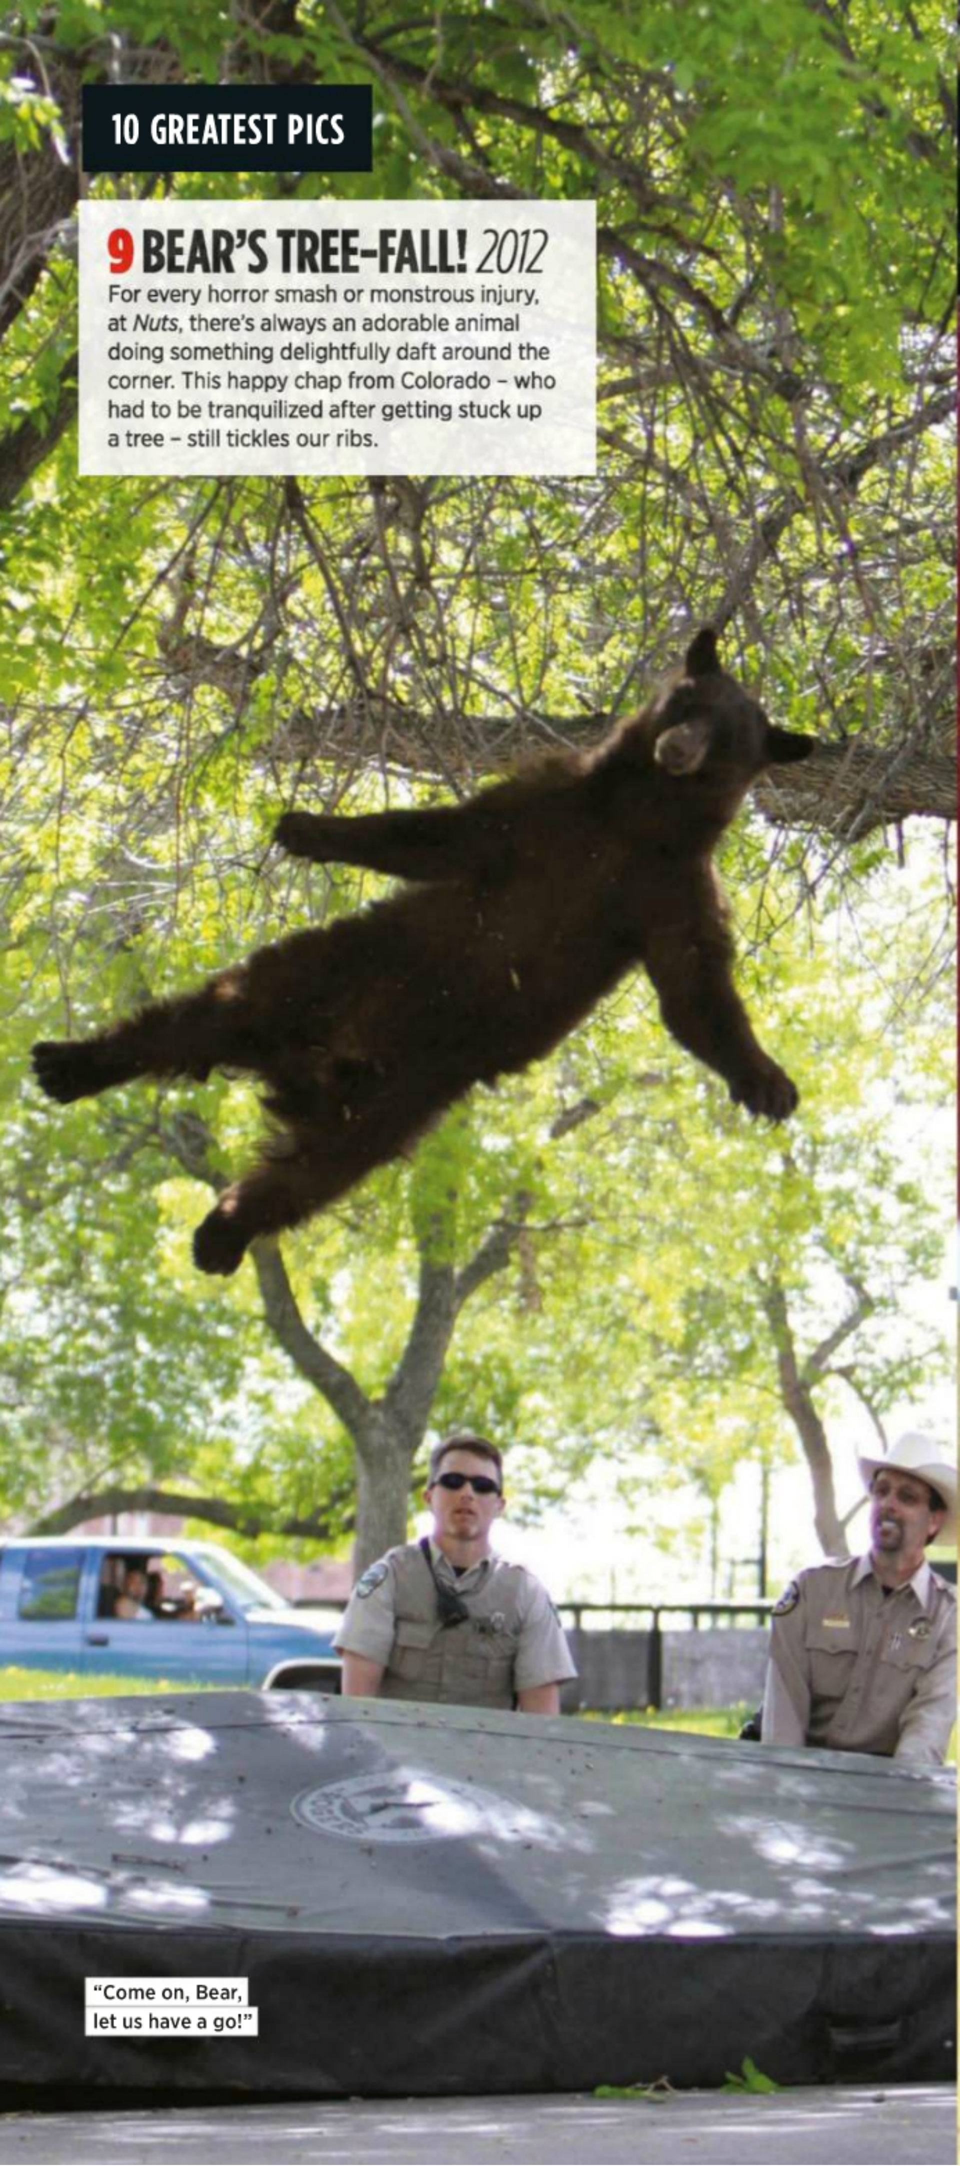
8 BAD B-BALL BREAK! *2013*

Louisville Cardinals' Kevin Ware was responsible for a collective "Eurgh!" at *Nuts* Towers last year. This horror pic captures the moment his shinbone smashed out of his skin during a tournament. Yikes! Happily, Kevin's recovery continues apace ▶

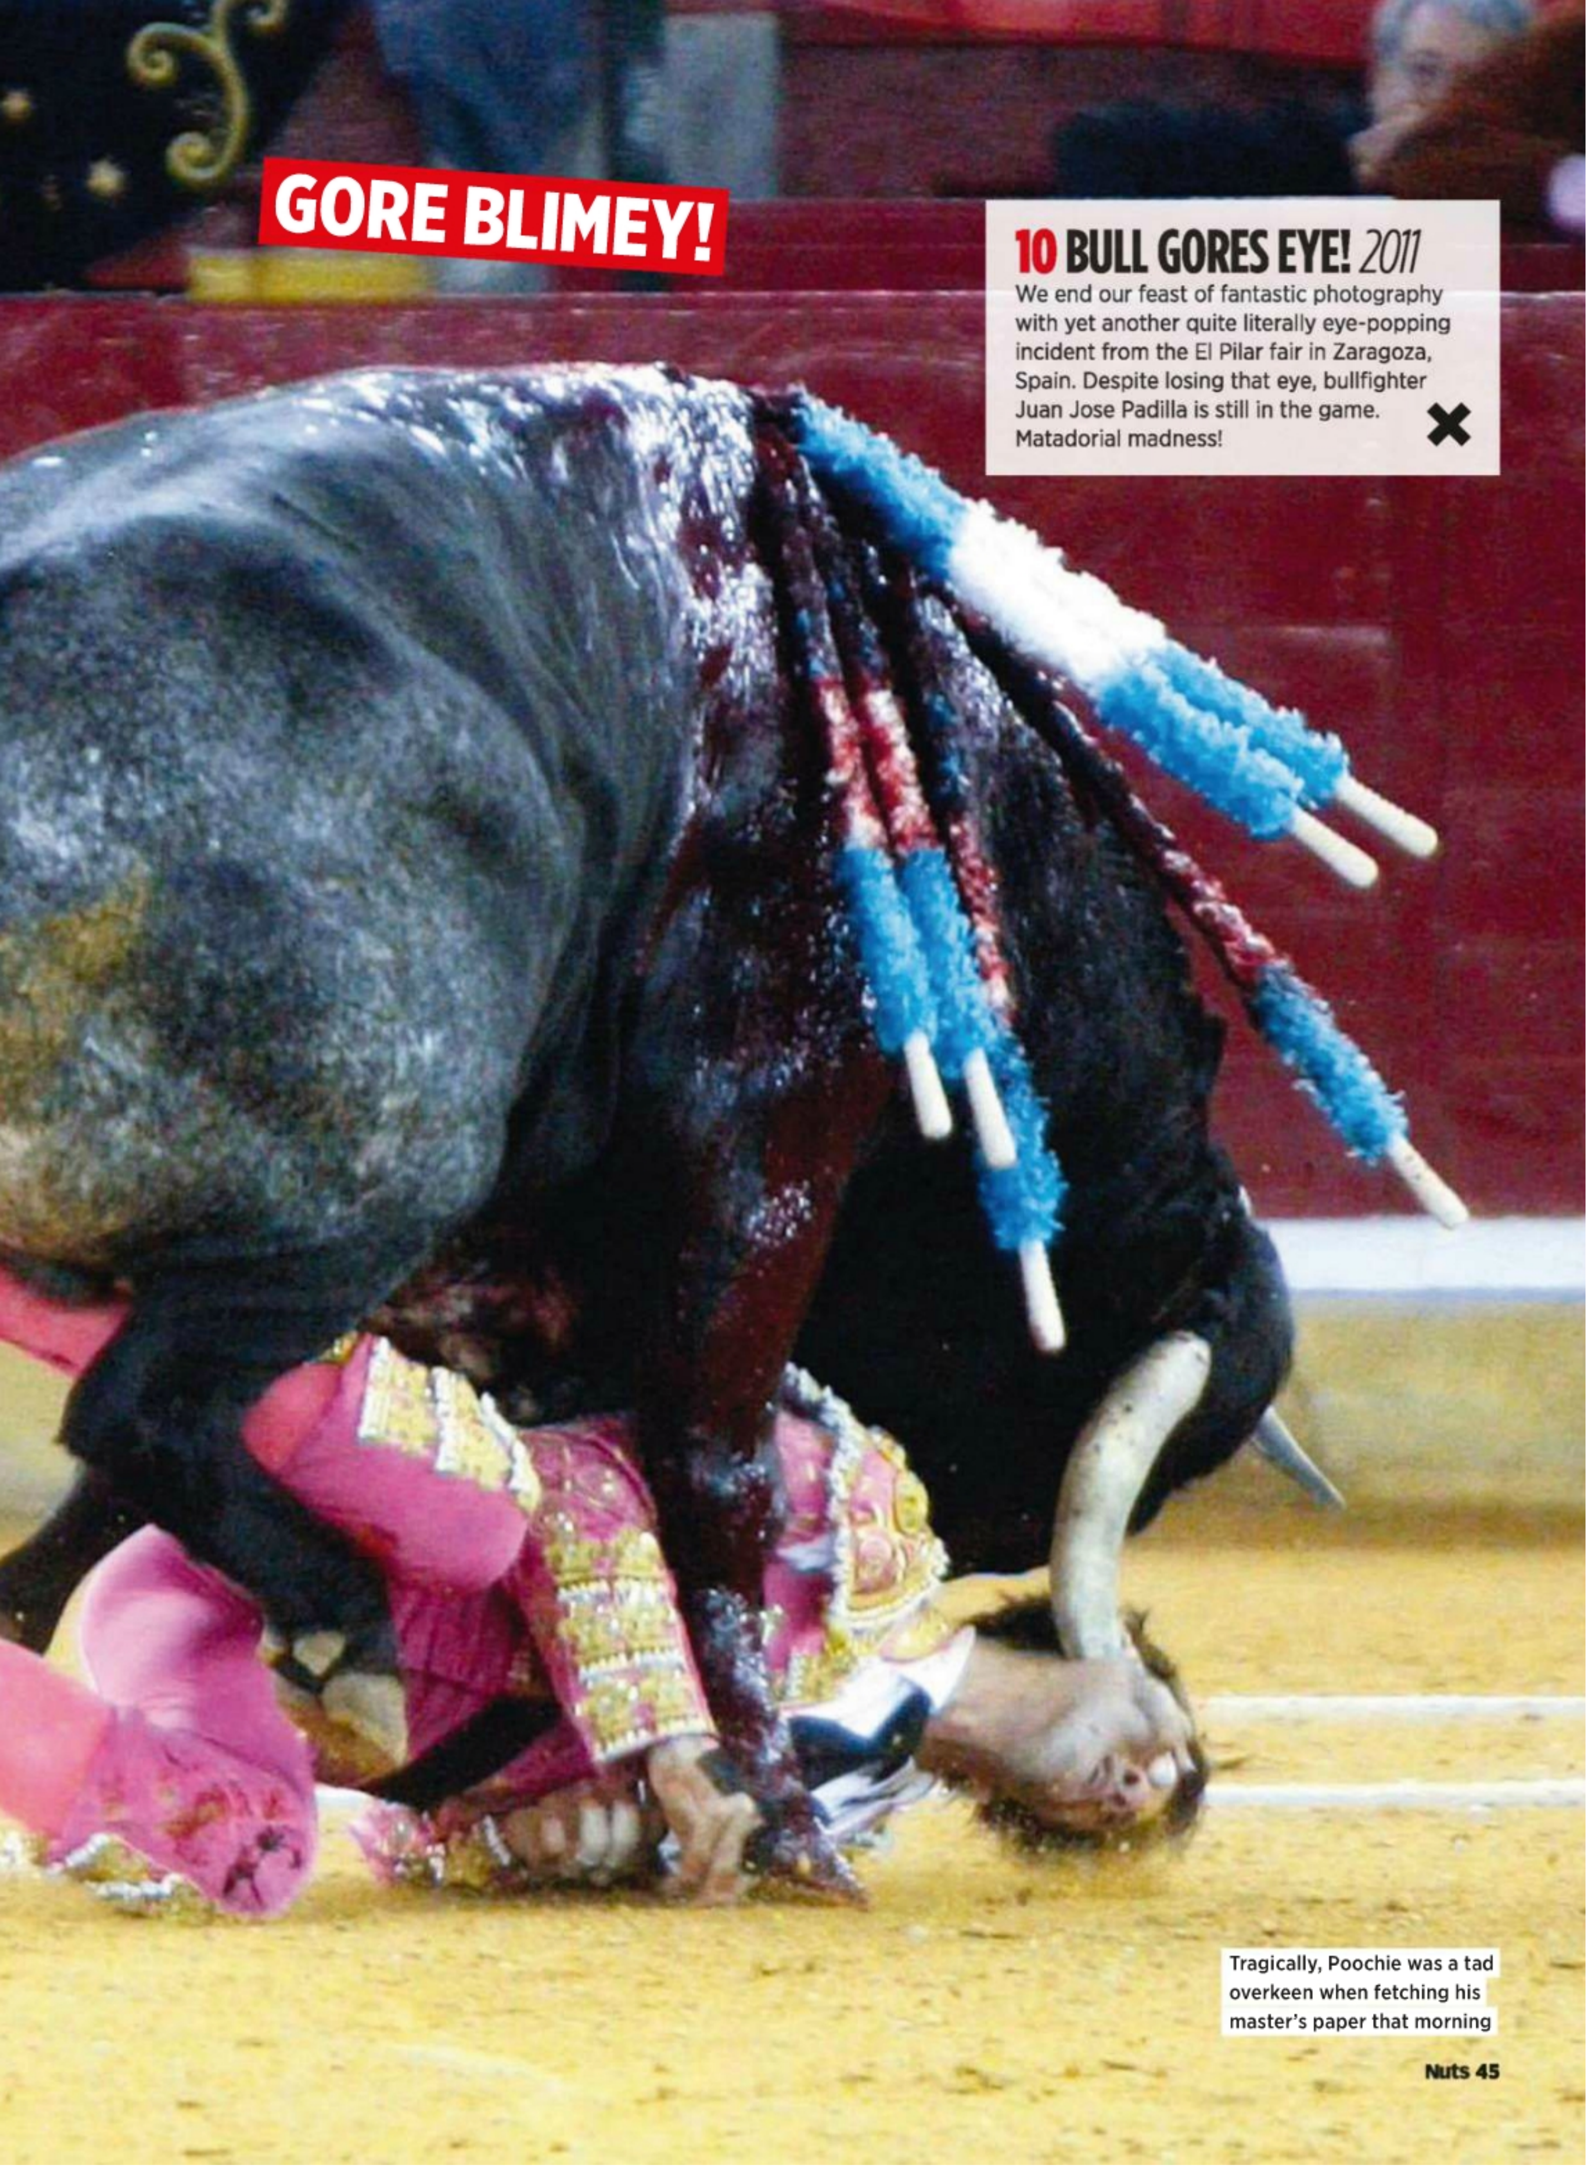
"Really, I just need a plaster and I'll be fine!"

9 BEAR'S TREE-FALL! *2012*

For every horror smash or monstrous injury, at *Nuts*, there's always an adorable animal doing something delightfully daft around the corner. This happy chap from Colorado – who had to be tranquilized after getting stuck up a tree – still tickles our ribs.



"Come on, Bear, let us have a go!"



GORE BLIMEY!

10 BULL GORES EYE! *2011*

We end our feast of fantastic photography with yet another quite literally eye-popping incident from the El Pilar fair in Zaragoza, Spain. Despite losing that eye, bullfighter Juan Jose Padilla is still in the game. Matadorial madness! ✖

Lucy Pinder

Lucy Pinder

Hi Lucy! *Nuts* is ten years old! How excited are you about that?
Very excited! Doesn't time fly when you're having fun? Today's shoot was such fun. I got to shoot with all my little faves. It was like a big party!

What's your favourite part of the magazine?
I love the cover shoots. I spent far too much time perving on other girls. Ha-ha! It's a perk of the job. I also like Don't Look! For some reason, I love all that gruesome stuff.

What's been the best thing to happen to you in the last ten years?
Me and Michelle Marsh going to Afghanistan a few years ago – that was a pretty awesome experience. Apart from that, just seeing all the hundreds of boobs over the years.

What about world events from the last decade?
Southampton fighting their way back up to the Premier League after two relegations.

What has stood out as your all-time favourite *Nuts* shoot?
I love all the group shoots – they're so much fun. We're like a big family.

What will *Nuts* look like in the year 2024?
Hopefully, it'll be much the same. I do love the digital version. Those issues with moving covers are like something from *Harry Potter*!

What's been the best invention of the last ten years?
Instagram. I'm a big fan. It's one of those things you can just dip in and out of. I make sure I follow all the hot girls.

Who's your all-time favourite cover-star?
Kelly Brook. She's a classic pin-up, and just damn sexy! ►

> **“I want to get a naff tat and send it in to *Nuts*!”**

Rosie Jones

Hi Rosie. *Nuts* is ten! How excited are you about it?
It's amazing! You know me, I love any excuse for a party. Ha-ha!

Which part of *Nuts* never fails to get you excited?
The shoots! I also like Don't Look! and Naff Tats. I might get a naff tattoo just so I can send it into the magazine!

Really?
Yeah! On the bottom of my foot. That can be my birthday present to *Nuts*.

What's the wildest party you've ever been to?
Oh, God. There have been a few! Me, and Holly and India are going to Vegas soon, so maybe you should ask me again when we get back!

What will *Nuts* look like in the year 2024?
Maybe you'll be able to interact with the cover girl and she'll spring to life!

What's been the best invention of the last ten years?
It has to be the iPhone, doesn't it? It has everything. I use Google every day, and couldn't do that without my iPhone.

What was the last thing you Googled?
Er, let's have a look... [looks at phone] "How to avoid a hangover." Ha-ha!

Who's your all-time favourite cover-star?
Holly Peers. She always looks amazing, but she's such fun on a shoot and an amazing friend.

Facebook's also ten years old this year. Which is better – *Nuts* or Facebook?
It has to be the *Nuts*, because people are over Facebook now, aren't they? Besides, *Nuts* isn't just a magazine – it's also on Facebook and Twitter! ▶

"I love *Nuts*' jokes page. Thanks for the laugh!"
Holly Peers

Holly Peers

Hi Holly! How are you enjoying today's birthday vibes?
There's cake and champagne. What more could a girl want?

What's the best way to celebrate ten years of the world's finest men's mag?
Let's get all the *Nuts* girls past and present all together under one roof. Maybe in a strip club!

What's your favourite part of the mag?
The parts me and my friends are in. But elsewhere, I like the jokes pages. People are always telling me jokes but most of them are crap. *Nuts*' jokes are better. Thanks for the laughs!

What's been the most awesome thing about the last ten years?
Modelling! My life was so boring when I was standing in a shop fully clothed. Ha-ha!

What's the wildest party you've ever been to?
A few years ago, I had a party in my parents' house. I locked myself out and had to smash a window to get back in. I even left the brick in the bathroom to make it look like burglars had been, but it didn't work!

What will the world look like ten years from now?
Who knows? Technology advances so quickly. I like the look of Google Glass.

What's been the best invention of the last ten years?
The iPhone, because I can't live without it.

Who's been your all-time favourite Nuts cover-star?
Keeley Hazell. She has a tiny body, great boobs, and so much natural beauty. Amazing.

Facebook's also ten years old this year. Which is more fun?
You're not allowed boobs on Facebook. *Nuts* is more fun! ►

“Being in *Nuts* is my highlight of the last ten years!”
India Reynolds

India Reynolds

Hello India! It's *Nuts*' birthday! How excited are you?
Well excited. I can't believe it's been this long!

What's the best way to celebrate ten years?
A massive party, obviously, with all the *Nuts* girls.

What remains your favourite part of the magazine?
All the hot girls!

Can you imagine what life was like for young men before Nuts?
OMG! What did they all do? They wouldn't have had pics of us girls anywhere!

What's been the best thing about the last ten years for you?
Starting work for *Nuts* five years ago was a highlight.

What about the rest of the world over the last ten years?
That's a hard one. I know a lot has happened. I'm going to say the birth of YouTube. I love watching funny clips.

What's the wildest party you've ever been to?
I went out with Holly in Manchester on New Year's Day. That was fun. New Year's Day's the new New Year's Eve!

What will *Nuts* look like in the year 2024?
You'll have loads of sexy new girls. I think the content will be similar. You can't improve on it, really.

What will the rest of the world look like in 2024?
The weather conditions are crazy. In ten years' time, the world will probably just be one big sea like *Waterworld*.

Who's your fave cover star?
Lucy Pinder, of course. She's a bit of a ledge!

▶

“Reading *Nuts* has made me more intelligent!”
Rhian Sugden

Rhian Sugden

Hello Rhian! How excited are you about *Nuts* being ten years old?
I can't believe it. I remember seeing old copies and hoping that one day I'd be be in it.

What's the best way to celebrate?
Get naked and get drunk!

Good advice! What's your favourite bit of the magazine?
Apart from the girls, I like Pub Ammo. I love learning those funny facts, then busting them out in front of my friends.

What have been your personal highlights of shooting for this esteemed organ?
Travelling to Afghanistan to see the troops was special. But also groping Lucy Pinder's boobs for the first time!

How has *Nuts* changed your life over the years?
It's made me a lot more intelligent in pub quizzes!

What's been the best thing to happen since 2004?
Twitter. Actually, with Facebook also being ten, you could have a joint bash. Twitter's better though.

What's the wildest party you've ever been to?
All the parties I go to are pretty wild. And they tend to get even wilder after I arrive!

What will the world look like ten years from now?
I like all that futuristic stuff, like Google's self-driving cars.

Will girls have three boobies, like in *Total Recall*?
I hope not! Maybe they'll just have one big boob instead.

Who's your fave cover star?
Lucy Pinder. It's her awesome jugs that do it! ▶

> **“Being one of the *Nuts* gang is the stuff dreams are made of!”**
> Lucy Collett

Lucy Collett

Hello Lucy! *Nuts* is ten years old. How will you be celebrating?
I'm very excited! I'll be hosting the party, giving prizes and having a good laugh!

How much fun did you find the birthday shoot?
It's been so cool! There's been the best selection of babes. We have a blonde a brunette and a redhead, with lots of cake, balloons and party poppers!

What's your favourite part of the magazine?
Pub Ammo! I learn so much from it. I love trivia and useless... sorry, useful facts. Oh, and the gaming section.

How has the magazine changed your life?
I've met so many cool people! I even have my own desk in the *Nuts* office. I'm like one of the gang. That's the stuff dreams are made of.

What's been the best thing to happen over the last ten years?
Having the Olympics in London was cool. But the best thing of all was the PS4 launch. That rocked my world.

What's stood out as your all-time favourite *Nuts* shoot?
The "new babes" shoot with Beth Humphreys, Joey Fisher, Jessica Davies and Gracie Finlan. I loved that!

What's the wildest party you've ever been to?
New Year's Eve! I was on a stage at this rock club in Birmingham kissing loads of girls! I do enjoy kissing girls.

Awesome! What will the world look like in 2024?
Who knows? Whatever else happens, I'm sure *Nuts* will still be going strong. Hopefully women won't have three boobies. Men would get overwhelmed! ✖

Arsenal vs Coventry

BT SPORT 1/HD • 7pm

After overcoming the mighty Barnsley last round, Coventry must have been excited and aghast at drawing the Prem's silky passers. They've returned 3,500 of their 8,600 expensive away seats though, so those attending are going to have to be in good voice.

Room 101

BBC ONE/HD • 8.30pm

Bambi, chewing gum and cobblers are three of life's little speed bumps discussed by Richard Osman, Joan Bakewell and Roisin Conaty, while Frank Skinner rolls his eyes and arbitrarily chooses a "winner" for fiery trap-door death. Quite why this generates such compelling television is completely beyond us, but it is!

Mob City

FOX/HD • 10pm

With *Boardwalk Empire* ending a couple of weeks back, we're chuffed to have something to fill the gangster-shaped hole in our lives. Set in '40s LA, Mob City is just about living up to the hype. Bournemouth vs Liverpool

ITV/HD • 12.15pm

Liverpool have a proud tradition in recent years of making an unholy mess of getting past smaller sides in the FA Cup – Oldham knocked them out last season – but surely the firepower of Suarez and Sturridge will be too much for the Cherries?

★★★★

It was the campest salute ever

The Spoils Of Babylon

FOX/HD • 11.30pm

Anything with Will Ferrell is worth checking out, but this spoof comedy is a bit odd, as a fictional author's best-selling novel is brought to life in a lavish period drama. It doesn't lack star turns (Michael Sheen, Jessica Alba), but it falls a little short in laughs.

★★★

"I'm gonna whack the smile off his smug Aussie face!"

Australia vs England

SKY SPORTS 2/HD • 3am

Good omens have meant nothing so far on this tour, so don't read too much into the fact that the last time the two sides met in a one-day game at the Adelaide Oval, England won. Once this final one-dayer is finished, the Twenty20 fun can begin!

"Neeeeeow! I'm a StuKa dive bomber!"

Chelsea vs Stoke

ITV/HD • 3pm

We like an all-Premier League clash in the early rounds of the FA Cup – it gives the smaller clubs a chance to progress. This looks like something of a one-sided contest, though. Stoke have managed only one win over Chelsea in all competitions in the last 18 years, and their hosts, Chelsea, have been in great form recently.

BT SPORT 1/HD • 7pm

House Of Fools

BBC TWO/HD • 10pm

Comedies like *This Is Jinsy* have whetted our appetite for silly sitcoms recently, and they don't get much dafter than Vic and Bob's latest effort. 10 RUDE QUESTIONS!

And a real girl to answer them!

Jeana

23 Kent

1 Where's the best place you've ever had sex?
"I'd probably have to say on a golf course nearby my ex-boyfriend's house. I really fancied a game of golf but soon realised that it was quite boring, so decided to instigate a fumble in the bushes!"

2 What's your trademark move in the bedroom?
"My trademark move in the bedroom... Well, I always like to put some sexy music on and give a guy a striptease, and the guys really seem to love it too. I like to tease a lot before getting down to the actual business."

3 What turns you on?
"Well, there isn't a lot that doesn't turn me on! But I'd have to say a well-groomed man is really sexy. I'm talking about guys with nice teeth, soft skin and who smell nice. Such a turn-on! And I love it when a guy whispers naughty things in my ear."

4 What's your favourite position?
"My favourite would have to be reverse cowgirl. I find it looks really sexy in the mirror and I love to take control. I love looking at the Kama Sutra and trying new moves. You have to keep things exciting, don't you? Ha-ha!"

5 Is it better to give or to receive?
"I'm a giver, it has to be said. Knowing that I'm pleasing a guy and turning him on really turns me on too. Don't get me wrong though, I love receiving as well. It's a two-way street!"

6 Have you ever got it on with another girl?
"Yes, once or twice. Usually after a few drinks with my ex-boyfriend. We'd spot a hot girl in a bar or club and I'd usually end up having a snog with her. I think it's very important to be open-minded, and guys love seeing a bit of girl-on-girl action!"

7 Have you ever made a sex tape?
"Yes, I made one with a long-term ex-boyfriend a few years ago. It was very steamy and rude. It was definitely better than Kim Kardashian's. Needless to say, I made him delete it when we broke up!"

8 What's the rudest thing you've ever done?
"I once accidentally sent a rude picture that was meant to go to a guy I was seeing to somebody else. It was probably one of the most awkward situations I've ever been in!"

PHOTOS: DANNY DE SANTOS/MATRIXPICTURES.CO.UK

9 What's the one thing that you'd really like to try but haven't yet?
"I'm a very open-minded girl so there isn't really a whole lot that I haven't tried before. But I'd quite like to have a threesome, or go to a sex party."

10 What's your sexy outfit of choice?
"I have so many! My police woman outfit is probably my favourite. Guys love a woman to take control and dominate them – and they need to be reminded who's in charge sometimes."

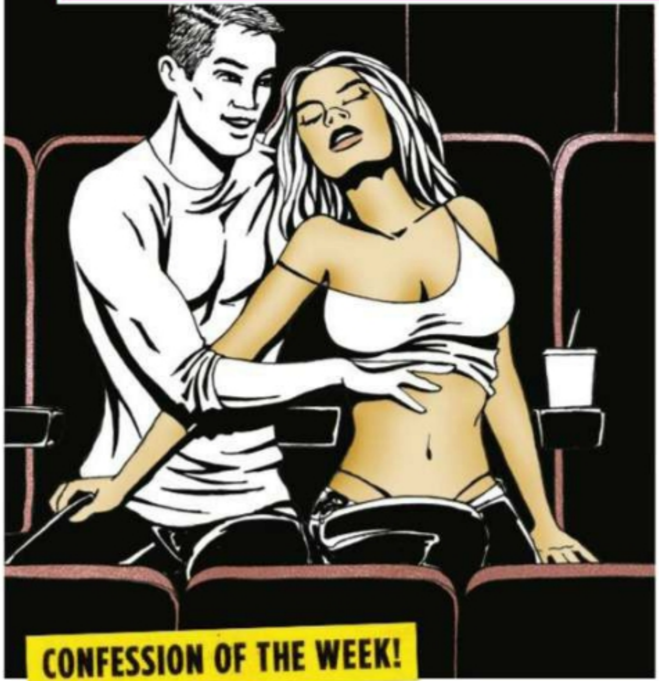
LADIES CONFESS! TO OUR SECRETARY!

Racy revelations from our female readers!



CONFESSION OF THE WEEK!

'He squeezed my boobs'

RECENTLY, MY man and I went to the cinema. The place was almost empty so we cuddled up to each other and he cheekily gave my boobs a squeeze. I gave him a saucy look, so he slipped his hand inside my top and my bra, and flicked my nipples. A rush of excitement went through me so I reached down and started to rub his crotch, which turned me on even more. I managed to get his stiffy out and bend down to take him in my mouth. We raced back to our hotel room as soon as the credits had rolled and had the most explosive sex!

Claire Halifax

'My T-shirt was soaked'

THE WEATHER recently has been awful and one day I got caught in the rain on my way to my new fella's house. A mate's brother had recently passed his driving test, and happened to pass me at the bus stop. He asked if I needed a taxi. He's always been a cheeky chap and didn't waste any time commenting on my soaked T-shirt and hard nipples. I told him to pull into the forest car park, which was coming up. He looked surprised by my request but, within a minute, we'd parked, swapped seats and were passionately kissing. Realising how wet I was from the rain, he began to pull my clothes off, kissing me everywhere. I put my hands down his trousers before we were interrupted by a dog walker. Suddenly embarrassed, I asked him to drop me off up the road and we grinned at each other the whole way. I'm sure I'll ask him for a lift again soon!

Danielle Dundee

'He sank to his knees'

MY MAN came to pick me up from work, as my car was in the garage getting fixed. He met me on the top storey of the building where I work, so we got the lift as usual. As we went past one floor there was a loud noise and we suddenly stopped. We were stuck but my boyfriend thought it was fun and gave me a saucy look. I hitched my skirt up while he sank to his knees and gave me oral sex. I was really horny and begged him to enter me. Soon I had my legs round him while he rocked me up and down!

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

'Steamy fun in the car'

I'D BEEN round my boyfriend's house all day with his parents, so we hadn't had any time alone. I couldn't wait to kiss and cuddle with him, so after we left, he pulled up near my house and stopped at the end of the lane. We wound the seats back and I leaned across him. It wasn't long before he was undoing my jeans and reaching inside my knickers. He could feel me getting wetter each time he went deeper, using more of his fingers each time. He unhooked my bra and started to feel around my breasts. Unfortunately, one of my elderly neighbours showed up and we had to hide what we were doing. I pulled my coat over his hand but he carried on pleasuring me. We still laugh about it now!

BALLON D'OR SPECIAL!

The crazy world of Cristiano Ronaldo!

He won the Ballon d'Or – now let us tell you more!

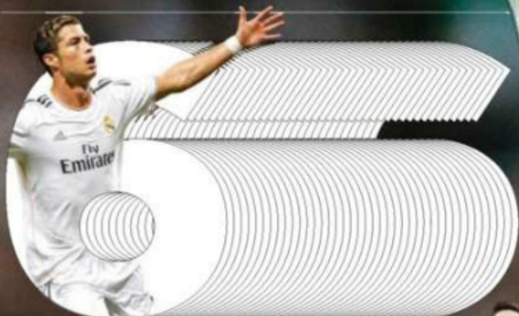
HE'S FINALLY done it! Yes, after a painful four years in Lionel Messi's tiddly shadow, Cristiano Ronaldo finally bagged himself the Ballon d'Or last week, after a 2013 stuffed with goals and records. But it's not just Ronaldo's skills that make him so remarkable – it's the ruddy bonkers life that he leads. Allow us to take you on a trip to Planet Cristiano...

WORDS: PETE CASHMORE PHOTOS: ACTION IMAGES, PA PHOTOS, GETTY IMAGES, WENN, REX FEATURES

SECOND TIME WINNER! Ronaldo first won the Ballon d'Or in 2008 when he was at Man United.

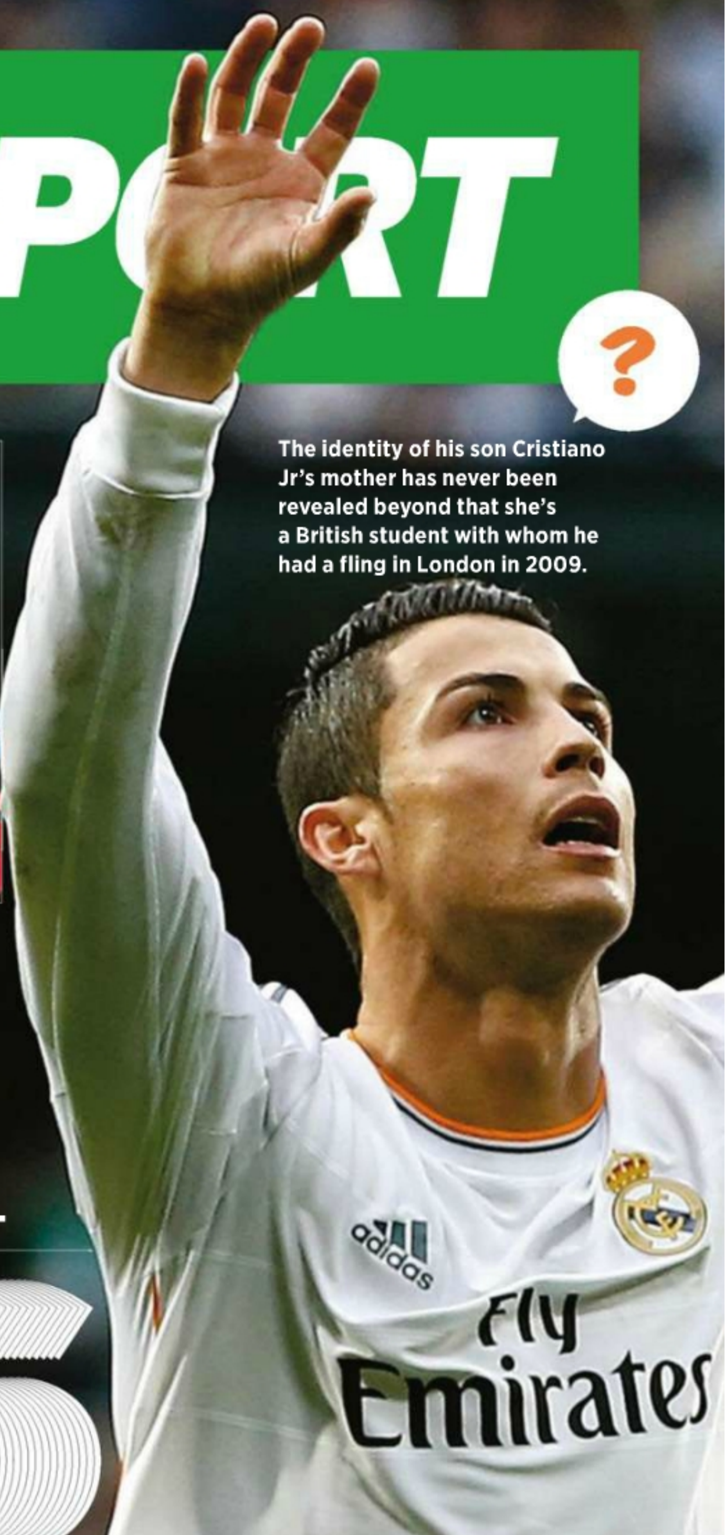
At one stage in 2013, he had scored more goals on his own than Liverpool, Arsenal, Manchester City, Manchester United and Chelsea had as a team.

For Real Madrid, he has been the fastest player to reach 50, 100, 150 and 200 club goals.



He's the only player to score in six consecutive Clásicos.

He once admitted that his cure for frustration was to put a television up a tree and then fire footballs at it until it crashed to the ground.



The identity of his son Cristiano Jr's mother has never been revealed beyond that she's a British student with whom he had a fling in London in 2009.

100

Ronaldo reached 100 La Liga goals for Real Madrid in 92 games – it took Raul 212 matches to achieve the same feat.

He was the first player to score more than **40 goals** in one La Liga season, in 2010-11. He did it again in 2011-2012.

In January 2009, he bought a £115,000 Ferrari 599 GTB and crashed it into a tunnel wall in Manchester within the first week. Even though it was repairable, he didn't bother.

Back in October, Pepsi had to apologise ahead of Portugal's World Cup clash with Sweden, after they posted a series of images of a Ronaldo "voodoo doll" in various distressing positions on Facebook.

His next Portugal goal will make him the leading scorer of all time for his country.

His free-kick speed is more than four times the launch speed of the Apollo 11 spacecraft.

96

In 2012 in a game against Atletico Madrid, Ronaldo was clocked covering 96 metres in ten seconds dead, which means his time in a 100m sprint would be 10.42secs.

In 2013, he scored more hat-tricks than Marouane Chamakh had shots on target in the Premier League. But he also shares a Champions League record with Chamakh for "goals scored in most consecutive games", at six games.

In October last year, his CR7 clothing line's boys' underwear range held a competition, that resulted in the tweet: "Thank you for all participating in the CR7 Boys Underwear Competition – it's been a real pleasure to see all of your photos."

869

Ronaldo is 869 days younger than Messi, the exact same age difference between their respective sons.

In December last year, he opened a museum in Madeira, Portugal, entirely devoted to himself and his achievements.

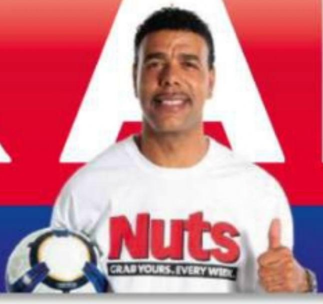
KAMMY!



He's the voice of the fans – and he's only in *Nuts*!

"Come on, you slaaaags! I'll take you all on!"

Merseyside derby is looking tasty!

It could be the closest-fought in years!

NEXT TUESDAY sees the latest Merseyside derby and I can't remember a tastier match-up. They've been nip and tuck all season and it's a clash of two managers rightly receiving plaudits.

It's great to see what Roberto Martinez is achieving now he has what he never had at Wigan – a solid defence. A Martinez side with a decent back five is a formidable prospect, because it means he can give his attackers their heads and send them out to play.

Liverpool are improving all the time too. Everyone wants to be involved and the return of Daniel Sturridge is like a new signing for them. They're a few points off the pace but they've been unfortunate in the big games.

I just wish I wasn't working at Crystal Palace the same night. I'd rather be at home on the sofa with a few cans!

Our refs need a guiding hand!

THE DECISION to disallow Cheick Tioté's goal for Newcastle against Manchester City underlines how confused officials are about the offside rules. There are all kinds of factors that have to be considered to decide whether or not a player's "active."

With Tioté's effort, they couldn't tell whether or not Newcastle's offside player was in the keeper's eyeline so they erred on the side of caution. But the side of caution there would have been to award the goal – you couldn't leave it to the linesman to make that call.

The referees need help. The law changes have left them confused to an extent that's bordering on the insane, and I don't see that will change.

"Now go to your room. You've been a very naughty boy!"

- Send jokes, comments, pics etc to kammy@ipcmedia.com. The best one each week wins a signed *Nuts* T-shirt!

Winter's not for World Cups!

SEPP BLATTER can't be serious about having the Qatar World Cup in the winter. There'll be managers in uproar, not wanting their players to go away. It's a month of matches, and then there's the preparation period, and then there's the recovery afterwards – it's a non-starter of an idea.

If it's about the temperatures the teams have to play in, it basically comes down to this: air-conditioning in the stadiums, or show common sense and change the venue.

"Hmm, wonder what I could get for this on eBay…"

Lukaku: 'Mess with Jose? No way!'

The Everton man on his "special journey"!

Hi Romelu! It's going pretty well at Everton, isn't it?
Yeah, we clearly have great quality but maybe we've surprised a few people. Not me though. From the first day I saw the ability of the squad, I knew we'd have a great season. We have talent and the desire to achieve great things. The coaching staff also has a strong philosophy which every player believes in. I can't speak highly enough of the people at this club – they've made me welcome and the style of football has been fantastic. I came here with a goal and it's working out.

What was the goal?
I wanted to play more football. I knew at Chelsea my chances would be limited so made the decision to come here. I knew more football would help with my consistency and level of performance. I always want to do better with each season that passes, as I'm still young. Everton have given me this chance and I'm very grateful to them.

Did you have a fall-out with Jose Mourinho as many people have suggested?
No way! He's the Chelsea manager and I respect him. He understood my reasons for wanting to leave. He's a great manager and I'm looking forward to going back and working with him again.

What do you think Everton can achieve this season?
We have to aim high. Why can't we challenge for the big trophies? Nowhere is it written that Everton can't win the biggest prizes in the game. We've shown we can beat anyone. The atmosphere around the club is incredible.

So are you title challengers?
I'm not going to make any statements of that magnitude because there are lots of great teams in the Premier League. But I think we have to be confident that we can still be present in the important stages of the season. I think other teams should respect us and I reckon it's fair to say they do.

How has your game improved by playing more football?
I know my body can deal with the pressure. I also know what my strengths and weaknesses are. Consistency is something I've always strived for. I want to be the best I can be. I want to be one of the best strikers in the Premier League and the world. I have a long way to go but I see no reason not to aim high. I'm always learning and always desperate to develop. I'm on a special journey!

- Liverpool vs Everton, BT Sport 1/HD, Tues 28 Jan, 8pm.
